Section 1. KRS 186.043 is amended to read as follows:

(1) In enacting this section, it is the intention of the General Assembly to recognize the special value of historic vehicles to the Commonwealth, and also to recognize that historic vehicles, because of their limited use and easily identifiable characteristics, do not require the same degree of regulation as other vehicles.

(2) As used in this section, unless the context otherwise requires, "Historic Vehicle" shall mean all motor vehicles ***twenty-five (25)*** [~~thirty (30)~~] years old or older, which are used primarily for exhibition in shows, parades, tours and other special uses, but not for general transportation.

(4) Upon payment of a fee of fifty dollars ($50) and an application in accordance with regulations issued by the Transportation Cabinet, the secretary of the Transportation Cabinet shall issue a certificate of registration and two (2) special license plates of a different color and design than the regular license plate, which, in the judgment of the secretary of the Transportation Cabinet, will best advertise, popularize and promote the Commonwealth of Kentucky. These plates, besides the word "Kentucky" shall have the words, "Historic Motor Vehicle" inscribed in a conspicuous manner and carry no year date. These plates shall have a serial number beginning with the number ***one hundred (***[~~“~~]100***)***[~~”~~] and continue in a consecutive numerical sequence.

(5) The registration license and license plates of historic motor vehicles shall be valid without renewal as long as the vehicle is in existence. If the historic motor vehicle is sold, the registration and license shall be assigned and transferred to the new owner on the records of the Transportation Cabinet upon receipt of an application in accordance with regulations issued by the cabinet and payment of a fee of two dollars ($2).

(6) The secretary of the cabinet may make such reasonable rules and regulations as he deems necessary to further the purpose of this section.

Whenever any condemnor cannot, by agreement with the owner thereof, acquire the property right, privileges or easements needed for any of the uses or purposes for which the condemnor is authorized by law, to exercise its right of eminent domain, the condemnor may condemn such property, property rights, privileges or easements pursuant to the provisions of KRS 416.550 to 416.670. It ***shall*** [~~is~~] not ***be*** a prerequisite to an action to attempt to agree with an owner who is unknown or who, after reasonable effort, cannot be found within the state or with an owner who is under a disability.

Section 3. KRS 416.570 is amended to read as follows:

Except as otherwise provided in KRS 416.560, a condemnor seeking to condemn property or the use and occupation thereof, shall file a verified petition in the Circuit Court of the county in which all or the greater portion of the property sought to be condemned is located, which petition shall state that it is filed under the provisions of KRS 416.550 to 416.670 and shall contain, in substance:

(1) Allegations sufficient to show that the petitioner is entitled, under the provisions of applicable law, to exercise the right of eminent domain and to condemn the property, or the use and occupation thereof, sought to be taken in such proceedings;

(2) A particular description of the property and the use and occupation thereof sought to be condemned; and

Section 4. KRS 416.590 is amended to read as follows:

The clerk shall make such orders as to nonresidents and persons under disability as are required by the statutes and Rules of Civil Procedure in actions against them in Circuit Courts.

Section 5. KRS 416.600 is amended to read as follows:

Any answer or other pleading filed by the owner in response to the summons shall be filed on or before the twenty (20) days after date of service and shall be confined solely to the question of the right of the petitioner to condemn the property sought to be condemned, but without prejudice to the owner's right to except from the amount ***representing just*** [~~of the~~] compensation [~~awarded in the manner~~] provided in KRS ***416.570(3)*** [~~416.550 to 416.670~~].

(b) [~~A finding that the report of the commissioners conforms to the provisions of KRS 416.580;~~

~~(c)~~] An authorization to take possession of the property for the purposes and under the conditions and limitations, if any, set forth in the petition upon payment to the owner or to the clerk of the court the amount ***representing just*** [~~of the~~] compensation awarded by the commissioners;

(c)[~~(d)~~] Proper provision for the conveyance of the title to the land and material, to the extent condemned, as adjudged therein in the event no exception is taken as provided in KRS 416.620(1).

(2)[~~(3)~~] Any exception from such interlocutory judgment by ***the condemnee or condemnees*** [~~either party or both parties~~] shall be confined solely to exceptions to the amount ***representing just*** [~~of~~] compensation [~~awarded by the commissioners~~].

(3)[~~(4)~~] If the owner has filed answer or pleading putting in issue the right of the petitioner to condemn the property or use and occupation thereof sought to be condemned, the court shall, without intervention of jury, proceed forthwith to hear and determine whether or not the petitioner has such right. If the court determines that petitioner does not have such right, it shall enter a final judgment which shall contain, in substance:

(a) [~~A finding that the report of the commissioners conforms to the provisions of KRS 416.580;~~

~~(b)~~] A finding that the petitioner is not authorized to condemn the property or the use and occupation thereof for the purposes and under the conditions and limitations set forth in the petition, stating the particular ground or grounds on which the petitioner is not so authorized;

(b)[~~(c)~~] An order dismissing the petition and directing the petitioner to pay all costs.

Section 7. KRS 416.620 is amended to read as follows:

(1) Within thirty (30) days from the date of entry of an interlocutory judgment authorizing the petitioner to take possession of the property, exceptions may be filed by ***the condemnee or condemnees*** [~~either party or both parties~~] by filing with the clerk of the Circuit Court and serving upon the other party or parties a statement of exceptions, which statement shall contain any exceptions the party has to the ***amount representing just compensation*** [~~award made by the commissioners~~]. ***Upon the filing of any exceptions, the Circuit Court,***

or in the absence of the circuit judge from the county, the circuit clerk, shall, within thirty (30) days, appoint as commissioners three (3) impartial housekeepers of the county who are owners of land, one (1) of the commissioners to be selected by the condemnor, one (1) to be selected by the condemnees and the third to be selected by the other two (2) commissioners selected. They shall be sworn to faithfully and impartially discharge their duties under this section. The commissioners shall view the land or material sought to be condemned and award to the owner or owners a sum that will fairly represent the reduction in the market value of the entire property, all of or a portion of which is sought to be condemned, the sum being the difference between the market value of the entire property immediately before the taking and the market value of the remainder of the property immediately after the taking, together with the fair rental value of any temporary easements sought to be condemned. Within fifteen (15) days from the date of their appointment, they shall return a written report to the office of the Circuit Court, stating the required values in their award, and shall describe in their report the property sought to be condemned. They shall be allowed a reasonable fee which shall be taxed as costs.

(2) If any person appointed to serve as commissioner fails, refuses or becomes incapable of acting, the court shall appoint a qualified person to fill the vacancy. The person shall be selected in the same manner as the person who is being replaced was selected as provided in subsection (1) of this section. A majority of the commissioners appointed and qualified shall have the power to act and to make and sign the award and report. If a majority of the commissioners do not agree on a decision, three (3) new commissioners shall be appointed by the court on application by any of the parties to the action and in the same manner as provided in subsection (1) of this section.

(3) If the commissioners' award is greater than the appraisal amount determined pursuant to KRS 416.570(3), the condemnor shall pay the difference to the owner or to the clerk of the court.

(4) Within thirty (30) days from the date of the commissioners' award, if any, exceptions to the commissioners' award may be filed by either party or both parties with the Circuit Court. The statement of exceptions shall be tried, but shall be limited to the questions which are raised in the original statements of the exceptions, or as amended, but the owner shall not be permitted to raise any question, nor shall the court reconsider any question so raised, concerning the right of the petitioner to condemn the property. All questions of fact pertaining to the amount of compensation to the owner, or owners, shall be determined by a jury, which jury on the motion of either party shall be sent by the court, in the charge of the sheriff, to view the land and material. After a jury trial, and if possession previously has not been taken by the condemnor of the land and material condemned, it may do so upon the payment to the owner or to the clerk of the Circuit Court the amount of the compensation adjudged by the Circuit Court to be due the owner.

(5)[~~(2)~~] Appeals may be taken to the Court of Appeals from the final judgment of the Circuit Court as in other cases except that an appeal by the owner shall not operate as a supersedeas.

(6)[~~(3)~~] [~~The payment by the condemnor of the amount of compensation awarded and the taking possession of the lands and material condemned shall not prejudice its right to except from the award of the commissioners or the judgment of any court, nor shall~~] The acceptance by the owner of the amount ***representing just*** [~~of the~~] compensation ***shall not*** [~~awarded~~] prejudice his right to except from the ***amount*** [~~award of the commissioners~~] or the judgment of any court.

(7)[~~(4)~~] All costs in the Circuit Court shall be adjudged against the condemnor.

(8)[~~(5)~~] If the condemnor takes possession of the property condemned and the amount of compensation is thereafter increased over that ***amount representing just compensation*** [~~awarded by the commissioners~~], the condemnor shall pay interest to the owner at the rate of ***ten*** [~~six~~] percent ***(10%)*** [~~(6%)~~] per annum upon the amount of such increase from the date the condemnor took possession of the property. If the condemnor takes possession of the property condemned and the amount of compensation is thereafter decreased below that ***amount representing just compensation*** [~~awarded by the commissioners~~], the condemnor shall be entitled to a personal judgment against the owner for the amount of the decrease plus interest at the rate of ***ten*** [~~six~~] percent ***(10%)*** [~~(6%)~~] per annum from the date the owner accepted the amount of compensation the condemnor paid into court or to the owner. If the owner at all times refuses to accept the payment tendered by the condemnor, no interest shall be allowed in the judgment against the owner for the amount of the decrease.

(9)[~~(6)~~] Upon the final determination of exceptions, or upon expiration of thirty (30) days from entry of the interlocutory judgment if no exceptions are filed, the Circuit Court shall make such orders as may be proper for the conveyance of the title to the extent condemned, to the property, and shall enter such final judgment as may be appropriate.

Section 8. KRS 416.640 is amended to read as follows:

Where there are conflicting claimants to the land sought to be condemned and all such parties are before the court, each claimant, for the purposes of the condemnation proceeding only, shall be deemed to be an owner, and the procedure for the condemnation of the land shall be as provided in KRS 416.550 to 416.670, except that, before the condemnor shall be entitled to take possession of the land, it shall be required to pay the ***amount representing just*** compensation [~~awarded therein~~] to the Circuit Court clerk to be held for the benefit of, and paid over to such persons as may thereafter be determined to be entitled to receive it. In such cases, the claimants may have their rights determined in a separate action, but the filing of such action or its pendency shall in no wise stay or delay said condemnation proceedings.

SECTION 9. A NEW SECTION OF KRS CHAPTER 416 IS CREATED TO READ AS FOLLOWS:

Notwithstanding any other provisions of law or eminent domain powers of utility companies, a condemnor may condemn or acquire property rights, privileges or easements necessary to provide for the relocation of utilities required in the construction, reconstruction or rehabilitation of a public improvement project. Nothing in this section shall be interpreted to empower the condemnation of any property owned by the Commonwealth of Kentucky or in which the Commonwealth of Kentucky has an interest.

Section 10. Acts 1888 Chapter 35, Section 2, is amended to read as follows:

Sec. 2. (a) This corporation is authorized to purchase, or take by gift or devise, and hold land exempt from execution, [~~and from any appropriation to public purposes~~] for the sole purpose of a cemetery, not exceeding two hundred acres in addition to the old Mother of God cemetery.

(b) For the purpose of purchasing the necessary land for said cemetery the corporation is hereby authorized and empowered to issue its bonds, in a sum not exceeding twenty thousand dollars, and bearing interest at the rate of four percent per annum. Said bonds, or any such number of bonds as the board of trustees may see fit and proper, may be redeemed and called in by the board at any time after five years from date of their issuance, and no bond shall be outstanding after ten years of its issuance, and after that time shall cease to bear interest; said bonds shall be signed by the president first, secretary and chief treasurer of the board, and are not transferable unless first transferred on the books of the corporation, with the consent of the president and chief treasurer.

Section 11. KRS 96.600 is amended to read as follows:

(1) When the board of any municipality authorized to acquire, construct, own or operate an electric plant under the provisions of KRS 96.550 to 96.900 shall be unable to contract with the owner of any land, easement, right of way, electric plant, or any facilities or property needed by such board for its use for the purposes thereof and desires to exercise the right of eminent domain, the board shall proceed to condemn the property pursuant to the Eminent Domain Act of Kentucky except that, in lieu of determining the award to the owners***, the condemnor*** [~~in the manner prescribed in KRS 416.580(1) the commissioners~~] shall ascertain and determine the value of the property taken; the value of real estate, tangible personal property, intangible property and franchises, if any such value is found to exist, shall be determined and stated separately in their report; and they shall also award damages, if any, resulting to the remainder of the electric plant or system of the owner, considering the purposes for which the property is taken, and the amount of said damages, if any, shall be stated separately in their report. The jury award shall be made in this manner rather than in the manner prescribed in KRS 416.660(1).

(2) Notwithstanding the provisions of subsection (1) of this section, when the owner of any land, easement, right of way or facility to be acquired by exercise of the right of eminent domain is not a utility, the award to the owners thereof shall be determined pursuant to the Eminent Domain Act of Kentucky.

Section 12. The following KRS section is repealed:

(b) In the case of a documented emergency requiring an immediate audit which the Auditor of Public Accounts cannot complete within the requested deadline, the Auditor of Public Accounts shall engage or authorize the fiscal court, county clerk, or sheriff to engage a certified public accountant to complete the emergency audit. A certified public accountant may be engaged to conduct an emergency audit only after guaranteeing in writing to the Auditor of Public Accounts that the audit and audit report will be finished within the deadline originally requested of the Auditor of Public Accounts. The fiscal court, or elected official, as the case may be, shall bear the full cost of any audit conducted pursuant to this paragraph. Audits conducted pursuant to this paragraph shall be subject to the provisions of subsections (4) and (5) of this section.

(2) A fiscal court which has elected to employ a certified public accountant pursuant to subsection (1)***(a)*** of this section shall notify the State Auditor in writing by July 31 following the fiscal year to be audited of the name of the certified public accountant it has employed. The fiscal court shall bear the full cost of any audit conducted pursuant to this section. An elected official who has elected to employ a certified public accountant pursuant to subsection (1)***(a)*** of this section shall:

(a) Notify the fiscal court and the State Auditor in writing by January 30 following the calendar year to be audited of the name of the certified public accountant employed by said official to audit the books, accounts, and papers of his office; and

Should the certified public accountant not correct such discrepancies prior to the release of the audit, the Auditor's office may conduct its own audit to verify the findings of the certified public accountant's report. If such audit is conducted, the expenses to said county or county official, as directed by KRS 43.070(4) shall be construed as an allowable expense of office. If the audit conducted by the Auditor of Public Accounts discloses discrepancies in the audit by the certified public accountant, the findings of the Auditor of Public Accounts shall be deemed official for purposes of collection of money owed the county pursuant to KRS 64.820.

(5) No later than February 1 following the fiscal year being audited, or August 1 following the calendar year being audited, the fiscal court or county official shall submit the accountant's written report to the Governor, the General Assembly, the Attorney General, the State Librarian and county attorney of his county. All actions for injunctive relief for violation of KRS 146.200 to 146.360 shall be brought in the name of the Commonwealth of Kentucky by the cabinet's ***Department of Law*** [~~office of general counsel~~], or upon the secretary's request, by the Attorney General in the Franklin Circuit Court. If ***the*** [~~such~~] action seeks recovery of penalties in addition to injunctive relief, it shall be brought to one (1) of the counties through which the designated portion of the river runs.

Section 5. KRS 151.460 is amended to read as follows:

(1) It shall be the duty of the cabinet's ***Department of Law*** [~~office of general counsel~~], or upon the secretary's request, of the Attorney General to bring an action for the recovery of the penalties herein provided for and to bring an action for a restraining order, temporary or permanent injunction, for the prevention or correction of a condition constituting or threatening to constitute a violation of this chapter, except as provided for in KRS 151.299.

Section 7. KRS 350.990 is amended to read as follows:

(1) Any person or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided ***in this chapter*** [~~herein~~], or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for ***the*** [~~said~~] violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which ***the*** [~~such~~] violation continues, and in addition, may be enjoined from continuing ***the*** [~~such~~] violations as hereinafter provided in this section.[~~; provided, however, that~~] Any operator or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for ***the*** [~~such~~] abatement shall

be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which ***the*** [~~such~~] violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of such method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. ***The*** [~~Such~~] penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's ***Department of Law*** [~~office of general counsel~~], or upon the secretary's request, by the Attorney General. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet or by the Attorney General on its behalf for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who engages in mining operations, without proper authorization as required by the cabinet pursuant to KRS 350.029 or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing such violations as hereinafter provided. Each day shall constitute a separate violation. However, the penalties provided for in subsection (1) of this section shall apply in lieu of the penalties provided for in this subsection where an operator through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) It shall be the duty of the cabinet's ***Department of Law*** [~~office of general counsel~~] or, upon the secretary's request, of the Attorney General to bring an action for the recovery of the penalties herein provided [~~for~~] and to bring an action for a restraining order, temporary or permanent injunction, against any operator or other person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet or by the Attorney General on its behalf for the enforcement of the provisions of this chapter or the orders, and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any person who shall knowingly and willfully violate any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which ***the*** [~~such~~] violation occurs may constitute a separate offense.

(5) Any person who, in violation of KRS 350.060, willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who willfully and knowingly engages in mining operations without proper authorization as required by the cabinet pursuant to KRS 350.029 or administrative regulations promulgated pursuant thereto, with the intent to violate ***the*** [~~such~~] laws, shall be guilty of a Class D felony and upon conviction [~~thereof~~] shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any person who knowingly makes any false statement, representation or certification, or knowingly

fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a misdemeanor and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any person who shall willfully resist, prevent, impede, or interfere with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) ***When*** [~~Whenever~~] a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of ***the*** [~~such~~] corporation who willfully and knowingly authorized, ordered, or carried out ***the*** [~~such~~] violation, failure or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Any person found in violation of KRS 350.060(11) shall be fined not more than five hundred dollars ($500) for each violation, nor less than fifty dollars ($50).

(11) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

(12) The cabinet, upon written request by any person or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet division of abandoned lands shall have the authority to approve proposed in-kind projects and to recommend such projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person or operator for the full amount of the assessed penalty. The cabinet is authorized to prepare and promulgate such administrative regulations as are necessary to implement and administer the provisions of this subsection.

SECTION 8. A NEW SECTION OF KRS CHAPTER 224A IS CREATED TO READ AS FOLLOWS:

(1) The solid waste revolving fund shall be established in the state treasury and shall be administered by the authority.

(2) The fund shall be a dedicated fund and all money in the fund shall be dedicated solely to providing financial assistance to borrowers for the construction or acquisition of solid waste projects when a borrower is unable to finance the entire project for which it is seeking money from its own resources, through commercial credit at reasonable rates and under reasonable terms or through other public grant or loan programs.

(3) The financial assistance which may be provided by the revolving fund shall be limited to:

(a) Making loans, on the condition that the loans are made at or below market interest rates, including interest free loans, at terms not to exceed the shorter of thirty (30) years or the useful life of the project and that the fund will be credited with all payments of principal and interest on all loans;

(b) Purchasing or guaranteeing, or purchasing insurance for, local or state obligations when the action would improve credit market access or reduce interest rates;

(c) Providing a source of revenue or security for the payment of principal and interest on bonds or notes issued by the authority or other agencies of the state if the proceeds of the sale of the bonds will be deposited in the fund;

(d) Providing money with which to carry out the requirements of assistance agreements; and

(e) For payment of the authority's necessary operating expenses.

(4) The revolving fund shall be established, maintained and credited with repayments and the fund balance shall be available in perpetuity for its stated purposes.

(5) The authority may enter into any necessary or required agreement with federal or state agencies, corporations or persons to carry out the provisions of this section and the agreements may provide for the receipt of appropriated funds in the form of assistance payments to be used for payment of debt service on the authority's revenue bonds.

(6) The natural resources cabinet shall evaluate applications received for funding by the solid waste revolving fund and shall recommend and prioritize projects to the authority for funding. The authority shall evaluate all applications recommended for financial feasibility and may deny funding based on the evaluation, but shall otherwise approve funding based on the recommendation of the natural resources cabinet.

(7) The natural resources cabinet shall determine eligibility and priority of project applications as part of its evaluation and recommendation for funding to the authority and may promulgate administrative regulations pertaining to specific methods and criteria to determine the eligibility and priority of projects. These determinations shall generally be based on the following criteria:

(a) The borrower's implementation of or participation in a universal solid waste collection system within the jurisdiction or service area of the borrower, either prior to, or upon completion of the project;

(b) An adequate system for collection of any service fee, dedicated tax or appropriation of the applicant borrower used to support the solid waste collection system;

(d) The borrower has access to a solid waste disposal facility which has adequate projected capacity and resources to provide disposal services for the life of the revolving fund loan;

(e) The borrower has a solid waste management plan which addresses reasonable efforts to recycle solid waste, reduce the solid waste stream quantity, and protect the environment of the Commonwealth; and

(f) Any other criteria as the natural resources cabinet shall determine to promote statewide solid waste management plans, objectives, and needs, including but not limited to, the environmental significance and necessity for a project.

SECTION 9. A NEW SECTION OF KRS CHAPTER 224A IS CREATED TO READ AS FOLLOWS:

(1) The authority may provide for the issuance of its authority revenue bonds, for the purpose of providing funds and money to the authority to enable it to enter into assistance agreements with borrowers to construct or acquire and lease solid waste projects, purchase obligations of borrowers issued for solid waste projects and make loans for projects, and to enable the authority generally to carry out and effectuate its corporate purposes. In anticipation of the issuance of the revenue bonds, the authority may provide for the issuance at one time, or from time to time, of revenue bond anticipation notes pursuant to the general laws of the state. The principal of and the interest on the revenue bonds or notes shall be payable solely from authority revenues or other available sources. Any notes may be made payable from the proceeds of bonds or renewal notes, or in the event bond or renewal note proceeds are not available, or should the authority deem it financially practicable to pay the notes directly from authority revenues, the notes may be paid from any available authority revenues.

(2) The revenue bonds or notes of the authority shall be dated and may be redeemable prior to maturity at the option of the authority at prices and under terms and conditions determined by the authority. Any bonds or notes shall bear interest at the rate or rates, shall be payable annually or at shorter intervals, and may bear conversion privileges determined by the authority. Notes shall mature at times not exceeding five (5) years from their date, and revenue bonds shall mature at times not exceeding forty (40) years from

their date as may be determined by the authority. The authority shall determine the form and manner of execution of the bonds or notes, and shall fix the denominations and the places of payment of principal and interest, which may be any bank or trust company within or without the state. In case any officer of the authority whose signature or facsimile of whose signature shall appear on any revenue bonds or notes, shall cease to be an officer before the delivery thereof, the signature or the facsimile shall be valid and sufficient for all purposes, the same as if the officer had remained in office until the delivery. On or after the time of issuance of variable rate revenue bonds, the authority may designate individuals or institutions which, in the sole judgment of the authority, have financial market expertise to serve as agent for the authority for establishing and changing, while the variable rate revenue bonds or notes remain outstanding, the rate of interest to be borne by and the price to be paid for the revenue bonds. The rate-setting procedures and authority of each agent shall be set forth in writing, and may include a formula or indices based upon market factors, and shall be established by the authority at the time of issuance of the revenue bonds. At the time of the issuance of the revenue bonds, the authority shall establish the maximum interest rate to be borne by the revenue bonds. The authority shall retain the right to remove or replace any agent at any time and for any reason. The authority may provide that the bonds or notes may be executed only with the facsimile signatures of its officers, but the bonds or notes shall be executed with the manual signature of a bank or trust company designated by the authority as registrar and paying agent. The authority's bonds or notes may be issued in either physical or "book-entry" form based upon market standards at the time of issue.

(3) All revenue bonds or notes issued under the provisions of this Act shall have and are hereby declared to possess all of the qualities and incidents of negotiable instruments under the laws of the state. The authority may sell the revenue bonds or notes in the manner, either at public or private negotiated sale, and for the price, as it may determine will best effect the purpose of this Act. If revenue bonds are sold at public, competitive sale, the revenue bonds shall be sold after newspaper advertising conforming to the requirements for KRS Chapter 424 and competitive bids for the sale at the designated place, day and hour, all of which shall be announced in the advertising.

(4) In its proceedings authorizing the issuance of revenue bonds or notes, the authority shall fix and determine contractual provisions with the bondholders relating to the receipt, allocation, pledging, and disbursement of authority revenues, and may enact and determine terms, conditions, and restrictions pursuant to which additional revenue bonds of the authority may be authorized and issued. The proceedings, determinations and enactments of the authority shall be specified by either a bond resolution or trust indenture properly adopted by the authority.

(5) The proceeds of all revenue bonds or notes shall be used solely for the purpose of enabling the authority to enter into assistance agreements with borrowers to construct or acquire solid waste facilities, to purchase obligations issued for solid waste projects, to make loans to borrowing entities for solid waste projects or for any purpose authorized in this Act. Interest coming due on the revenue bonds or notes, not to exceed three (3) years, together with a debt service reserve equal to two (2) times the maximum principal and interest requirements to come due during any fiscal year ending June 30, in connection with the revenue bonds or notes, may be capitalized from bond proceeds, it being determined and recognized that the projects, for which loans are made, may in some cases not become fully revenue-producing for a period of time coincident with the construction period of the projects. Revenue bond or note proceeds may also be utilized, used and applied for the payment of ordinary and necessary expenses in connection with issuance of the revenue bonds or notes, including, but not by way of limitation, a sum equal to any discount in the sale of revenue bonds or notes, publication of notices, printing and other costs, attorneys' fees, and other ordinary and necessary costs of financing, including the payment of fees to fiscal agents for advice and assistance in the preparation and marketing of revenue bonds or notes.

(6) The authority may also provide for the replacement of any revenue bonds or notes that shall have become mutilated or shall have been destroyed or lost. Revenue bonds or notes may be issued under the provisions of this Act directly by the authority without obtaining the consent or acquiescence of any cabinet, division, commission, board, department or agency of the state other than the Finance and Administration Cabinet, and without any other proceedings or the happening of any other conditions or things except as specifically required by this chapter and the provisions of the resolutions of the authority authorizing the issuance of the revenue bonds or notes. Nothing in this Act shall exempt the authority from reporting proposed revenue bonds and notes to the Capital Projects and Bond Oversight Committee in accordance with the provisions of KRS 45.810.

(7) In the discretion of the authority, any revenue bonds or notes issued under the provisions of this Act may be secured by a trust indenture between the authority and a corporate trustee which may be any trust company or bank having the powers of a trust company within or without the state. The trust indenture, or the resolution of the authority providing for issuance of the revenue bonds or notes, may pledge or assign for the security of the revenue bonds or notes, all or any part of the totality of authority revenues received and to be received. The trust indenture or resolution of the authority may contain provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper, and not in

violation of law, including, but not limited to, convenants and provisions setting forth the duties of the authority in relation to the purposes to which revenue bond and note proceeds may be applied, the disposition or pledging of assets and authority revenues, and the custody, safeguarding, and application of all authority revenues. It shall be lawful for any bank or trust company incorporated under the laws of the state which may act as depository of the proceeds of revenue bonds, notes or of authority revenues, to furnish indemnifying bonds, or to pledge securities as may be required by the trust indenture or resolution of the authority. Any trust indenture or authority resolution may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders, where a trust indenture or authority resolution may contain other provisions as the authority may determine to be reasonable and proper for the further security of the holders of any revenue bonds or notes.

(8) The authority is hereby authorized to provide for the issuance of refunding revenue bonds or notes for the purpose of refunding any revenue bonds or notes then outstanding which shall have been issued under the provisions of this Act, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of the revenue bonds or notes. The issuance and sale of the refunding revenue bonds or notes, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties, and obligations of the authority in respect of the same, shall be governed by the provisions of this Act which relate to the issuance of revenue bonds or notes, insofar as the provisions may be applicable.

(9) Refunding revenue bonds or notes may be sold or exchanged directly for outstanding revenue bonds or notes of the authority, and if sold, the proceeds shall be applied, in addition to any other authorized purposes, to the purchase, redemption, or payment of the outstanding revenue bonds or notes. Pending the application of the proceeds of any refunding revenue bonds, with any other available funds, to the payment of the principal, accrued interest, and any redemption premium on the revenue bonds or notes being refunded, and if so provided or permitted in the authority resolution authorizing the issuance of the refunding revenue bonds or notes, or in the trust indenture securing the same, to the payment of any interest on the refunding revenue bonds or notes and any expenses in connection with the refunding, the proceeds may be invested in direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by the United States of America which shall mature or which shall be subject to redemption by the holders thereof at the option of the holders not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended.

SECTION 10. A NEW SECTION OF KRS CHAPTER 224A IS CREATED TO READ AS FOLLOWS:

Revenue bonds and notes issued by the authority under the provisions of this Act are hereby declared and deemed to be securities in which all public officers and public bodies of the state and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds including capital in their control or belonging to them. The obligations of the authority are hereby declared and determined to be securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the state, for the purpose for which the deposit of bonds, notes, or obligations of the state is now, or may hereafter be, authorized by law.

SECTION 11. A NEW SECTION OF KRS CHAPTER 224A IS CREATED TO READ AS FOLLOWS:

(1) Revenue bonds or notes issued by the authority under the provisions of this Act shall not be deemed to constitute a debt of the state or of any political subdivision thereof, or a pledge of the faith and credit of the state or of any political subdivision thereof but the bonds shall be payable as to principal and interest solely from authority revenues provided therefor under the provisions of this chapter. All revenue bonds or notes shall contain a statement to the effect that neither the state nor the authority shall be obligated to pay the same, or the interest thereon, except from authority revenues, or any portion thereof as defined in this Act; and that neither the faith and credit, nor the taxing power of the state or any political subdivision thereof is pledged to the payment of the principal of and interest on the revenue bonds or notes.

(2) The authority shall be authorized in connection with the issuance of its revenue bonds and notes for the accomplishment of its public purposes pursuant to this Act, to establish for the revenue bonds and notes reserve funds or replacement funds as may be required in the sound discretion of the board of the authority in order to enable the authority to effectuate its proper public purposes, and to issue revenue bonds and notes in the most advantageous manner. In the event any reserve fund or replacement fund created by the authority in connection with any revenue bond issue or note issue should, in violation of any contract made by the authority with any bondholder or note holder be monetarily deficient in any respect as of any date of accounting so stipulated by the authority, the authority shall immediately make formal request in writing to the secretary of the Finance and Administration Cabinet, and to the Governor, that sums adequate to restore the reserve fund or replacement fund to this contractually required level and to pay any overdue principal and interest on any outstanding revenue bonds and notes of the authority be

included in the next succeeding executive budget, and that the budget request be presented to the General Assembly with recommendation for approval by the General Assembly for payment to the authority for the use and benefit of the reserve fund or replacement fund.

The resolution of the authority authorizing any revenue bonds or notes, or any trust indenture securing the same, may provide that any money, funds, properties, and assets may be temporarily invested pending disbursement, and shall provide that any officer with whom, or any bank or trust company with which, any money is deposited, shall act as trustee of the assets and shall hold and apply the same for the purposes of this Act, subject to the conditions, restrictions, requirements, limitations, and mandatory investment procedures and requirements as this Act, and the authorizing resolutions of the authority, or trust indenture, may provide. (3) The financial assistance which may be provided by the revolving fund shall be limited to:

(a) Making loans, on the condition that the loans are made at or below market interest rates, including interest free loans, at terms not to exceed the shorter of thirty (30) years or the useful life of the project and that the fund will be credited with all payments of principal and interest on all loans;

(b) Purchasing or guaranteeing, or purchasing insurance for, local or state obligations when the action would improve credit market access or reduce interest rates;

(5) The authority may enter into any necessary or required agreement with federal or state agencies, corporations or persons to carry out the provisions of this section and the agreements may provide for the receipt of appropriated funds in the form of assistance payments to be used for payment of debt service on the authority's revenue bonds.

(6) The natural resources cabinet shall evaluate applications received for funding by the solid waste revolving fund and shall recommend and prioritize projects to the authority for funding. The authority shall evaluate all applications recommended for financial feasibility and may deny funding based on the evaluation, but shall otherwise approve funding based on the recommendation of the natural resources cabinet.

(7) The natural resources cabinet shall determine eligibility and priority of project applications as part of its evaluation and recommendation for funding to the authority and may promulgate administrative regulations pertaining to specific methods and criteria to determine the eligibility and priority of projects. These determinations shall generally be based on the following criteria:

(a) The borrower's implementation of or participation in a universal solid waste collection system within the jurisdiction or service area of the borrower, either prior to, or upon completion of the project;

(4) Grants shall be made to defray the capital costs associated with promotion of recycling, universal collection, and other similar solid waste management activities.

(5) The natural resources cabinet may promulgate administrative regulations establishing additional criteria and priorities for eligible projects and the awarding of grants upon adoption of a universal collection program.

(6) The natural resources cabinet shall require that each grantee provide a reasonable and appropriate matching contribution to be eligible for a grant.

(7) The natural resources cabinet shall recommend to the authority projects for funding and give priority to those projects which create opportunities for recycling or universal collection.

(8) Grants made pursuant to this Act shall be deemed as being made for essential governmental purposes.

(9) Four million dollars ($4,000,000) in fiscal biennium 1990-92 shall be made available pursuant to subsection (2) of this section for grants under this Act.

As the terms of the at large members expire, the Governor shall appoint successors for terms of four (4) years and until their successors are appointed.*** [~~The Governor shall additionally appoint three (3) at large members who shall serve for terms of four (4) years.~~] The members shall constitute the Kentucky infrastructure authority, with power in that name to contract and be contracted with, sue and be sued, have and use a corporate seal, and exercise, in addition to the powers and functions specifically stated in this chapter, all of the usual powers of private corporations to the extent that the same are not inconsistent with specifically enumerated powers of the authority. In the carrying out of its purposes and the exercise by it of the powers conferred by this chapter, the authority is deemed and declared to be performing essential governmental functions and public purposes of the state.

(2) The members of the authority shall receive no compensation for their services in said capacity, but shall be entitled to reimbursement for all reasonable expenses necessarily incurred in connection with performance of their duties and functions as such members.

(3) Four (4) members of the authority shall constitute a quorum for the transaction of business, and in the absence of a quorum, one (1) or more members may adjourn from time to time until a quorum is convened. Section 6. KRS 224A.120 is amended to read as follows:

(1) The authority may provide, at one (1) time or from time to time, for the issuance of its Kentucky infrastructure authority revenue bonds, for the purpose of providing funds and moneys to the authority to enable it to enter into assistance agreements with governmental agencies, acquire and lease infrastructure projects to governmental agencies, purchase obligations of governmental agencies issued for infrastructure projects and make loans or grants for infrastructure projects, and to enable the authority generally to carry out and effectuate its proper corporate purposes. In anticipation of the issuance of the revenue bonds, the authority may provide for the issuance at one time, or from time to time, of revenue bond anticipation notes pursuant to the general laws of the state. The principal of and the interest on the revenue bonds or notes shall be payable solely from authority revenues. Any such notes may be made payable from the proceeds of bonds or renewal notes, or in the event bond or renewal note proceeds are not available, or should the authority deem it financially practicable to pay the notes directly from authority revenues, the notes may be paid from any available authority revenues. ***Prior to the issuance of the bonds or notes, the authority shall submit any proposed issue to the Capital Projects and Bond Oversight Committee for its review and determination in accordance with the provisions of KRS 45.810.***

(2) The revenue bonds or notes of the authority shall be dated and may be redeemable prior to maturity at the option of the authority at prices and under terms and conditions determined by the authority. Any bonds or notes shall bear interest at the rate or rates, shall be payable annually or at shorter intervals and may bear conversion privileges determined by the authority. Notes shall mature at the time or times not exceeding five (5) years from their date or dates, and revenue bonds shall mature at the time or times not exceeding forty (40) years from their date or dates as may be determined by the authority. The authority shall determine the form and manner of execution of the bonds or notes, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the state. In case any officer of the authority whose signature or facsimile of whose signature shall appear on any revenue bonds or notes, shall cease to be such officer before the delivery thereof, the signature or the facsimile shall be valid and sufficient for all purposes, the same as if the officer

had remained in office until the delivery. At the time of issuance of variable rate revenue bonds, the authority may designate individuals or institutions which, in the sole judgment of the authority, have financial market expertise to serve as agent for the authority for establishing and changing from time to time, while the variable rate revenue bonds remain outstanding, the rate of interest to be borne by and the price to be paid for the revenue bonds. The rate-setting procedures and authority of each agent shall be set forth in writing, and may include a formula or an index or indices based upon market factors, and shall be established by the authority at the time of issuance of the revenue bonds. At the time of the issuance of the revenue bonds, the authority shall establish the maximum interest rate to be borne by the revenue bonds. The authority shall retain the right to remove or replace any agent at any time and for any reason. The authority may provide that said bonds or notes may be executed only with the facsimile signatures of its officers, but said bonds or notes shall be executed with the manual signature of a bank or trust company designated by the authority as registrar and paying agent.

(3) All revenue bonds or notes issued under the provisions of this chapter shall have and are hereby declared to possess all of the qualities and incidents of negotiable instruments under the laws of the state. The authority may sell the revenue bonds or notes in the manner, either at public or private negotiated sale, and for the price, as it may determine will best effect the purpose of this chapter. If revenue bonds are sold at public, competitive sale, the revenue bonds shall be sold after newspaper advertising conforming to the requirements of KRS Chapter 424 and competitive bids for the sale of the revenue bonds shall be opened and read publicly by the authority at a designated place, day and hour, all of which shall be announced in the advertising made relative thereto.

(4) In its proceedings authorizing the issuance of revenue bonds or notes, the authority shall fix and determine contractual provisions with the bondholders relating to the receipt, allocation, pledging, and disbursement of authority revenues, and may enact and determine terms, conditions, and restrictions pursuant to which additional revenue bonds of the authority may be authorized and issued from time to time. The proceedings, determinations and enactments of the authority shall specify that the payment of principal of and interest on all authority revenue bonds and notes shall constitute a first charge and lien against all authority revenues before any authority revenues are used, applied, and disbursed for any other valid purposes of the authority, including the payment of operation and maintenance costs incident to the operation of the authority.

(5) The proceeds of all revenue bonds or notes shall be used solely for the purpose of enabling the authority to enter into assistance agreements or interim financing agreements with governmental agencies, to acquire and lease infrastructure projects to governmental agencies, to purchase obligations of governmental agencies issued for infrastructure projects, to make loans or grants to the governmental agencies for infrastructure projects or for any ***purpose authorized in this chapter*** [~~other purpose authorized by law~~]. Interest coming due on the revenue bonds or notes, for not to exceed three (3) years, together with a debt service reserve equal to two (2) times the maximum principal and interest requirements to come due during any fiscal year ending June 30, in connection with the revenue bonds or notes, may be capitalized from bond proceeds, it being determined and recognized that infrastructure projects, for which loans or grants are made, may in some cases not become fully revenue-producing for a period of time coincident with the construction period of the infrastructure projects. Revenue bond or note proceeds may also be utilized, used and applied for the payment of ordinary and necessary expenses in connection with issuance of the revenue bonds or notes, including, but not by way of limitation, a sum equal to any discount in the sale of revenue bonds or notes,if discount bids are authorized and permitted by the authority, administrative expenses, including the preparation of revenue bonds or notes, publication of notices, printing and other costs, attorneys' fees, and other ordinary and necessary costs of financing, including the payment of fees to fiscal agents for advice and assistance in the preparation and marketing of revenue bonds or notes.

(6) Prior to the preparation of definitive revenue bonds or notes, the authority may, under like restrictions, issue interim receipts or temporary bonds, exchangeable for definitive revenue bonds or notes when the revenue bonds or notes shall have been executed, and are available for delivery. The authority may also provide for the replacement of any revenue bonds or notes that shall have become mutilated or shall have been destroyed or lost. Revenue bonds or notes may be issued under the provisions of this chapter directly by the authority without obtaining the consent or acquiescence of any cabinet, division, commission, board, department or agency of the state other than the finance and administration cabinet, and without any other proceedings or the happening of any other conditions or things except as specifically required by this chapter and the provisions of the resolution or resolutions of the authority authorizing the issuance of the revenue bonds or notes.

Section 7. KRS 224A.140 is amended to read as follows:

(1) The authority is hereby authorized to provide for the issuance of refunding revenue bonds or notes for the purpose of refunding any revenue bonds or notes then outstanding which shall have been issued under the provisions of this chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such revenue bonds or notes[~~, and, if determined advisable~~

~~by the authority, for the additional purpose of providing further funds for the carrying out of the proper public and governmental purposes of the authority~~]. The issuance and sale of such refunding revenue bonds or notes, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties, and obligations of the authority in respect of the same, shall be governed by the provisions of this chapter which relate to the issuance of revenue bonds or notes, insofar as such provisions may be applicable.

(2) Refunding revenue bonds or notes may be sold or exchanged directly for outstanding revenue bonds or notes of the authority, and if sold, the proceeds thereof shall be applied, in addition to any other authorized purposes, to the purchase, redemption, or payment of such outstanding revenue bonds or notes. Pending the application of the proceeds of any such refunding revenue bonds, with any other available funds, to the payment of the principal, accrued interest, and any redemption premium on the revenue bonds or notes being refunded (and if so provided or permitted in the authority resolution authorizing the issuance of such refunding revenue bonds or notes, or in the trust indenture securing the same, to the payment of any interest on such refunding revenue bonds or notes and any expenses in connection with such refunding), such proceeds may be invested in direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by the United States of America which shall mature or which shall be subject to redemption by the holders thereof at the option of such holders not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended.

Section 8. KRS 224A.165 is amended to read as follows:

The authority shall be authorized and empowered in connection with the issuance of its revenue bonds and notes for the accomplishment of its public purposes pursuant to this chapter, to establish in respect of such revenue bonds and notes such reserve funds or replacement funds as may be required in the sound discretion of the board of the authority in order to enable the authority to effectuate its proper public purposes, and to issue such revenue bonds and notes in the most advantageous manner. In the event any such reserve fund or replacement fund created by the authority in connection with any such revenue bond issue or note issue should, in violation of any contract made by the authority with any bond holder or note holder be monetarily deficient in any respect as of any date of accounting so stipulated by the authority, the authority shall immediately make formal request in writing to the secretary of the finance and administration cabinet, and to the Governor of Kentucky, that sums adequate to restore such reserve fund or replacement fund to its contractually required level and to pay any overdue principal and interest on any outstanding revenue bonds and notes of the authority be included in the next succeeding executive budget, and that such budget request be presented to the General Assembly of Kentucky with recommendation for approval by the General Assembly for payment to the authority for the use and benefit of such reserve fund or replacement fund. [~~In the event the next regularly scheduled session of the General Assembly of Kentucky shall occur more than six (6) months after any such request by the authority, the authority shall request that sums adequate to restore such reserve fund or replacement fund to such contractually required level and to pay any overdue principal and interest on any outstanding bonds and notes of the authority be made available from the Governor's contingency fund, and if such funds are so made available the budget request hereinabove described in this section shall be correspondingly reduced.~~]

Section 1. KRS 152.276 is amended to read as follows:

(1) Each year the authority shall, on the basis of the final unemployment figures calculated by the Department of Employment Services within the Cabinet for Human Resources, determine which counties have had a countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth in four (4) of the most recent five (5) consecutive years and shall certify those counties as qualified counties. ***All counties of Kentucky which were documented by the President's Appalachian Regional Commission report to be economically deficient and all of the economically deficient counties of Kentucky that have been officially designated as part of the Appalachian region by the Congress of the United States, pursuant to the "Appalachian Regional Development Act of 1965", as amended, shall be certified as qualified counties.*** [~~Any county with a population of nine thousand (9,000) or less, according to the annual population figure calculated by the U.S. Bureau of the Census, may also be certified as a qualified county by the authority, regardless of the county's annual unemployment.~~] If the authority determines that a county which has previously been certified as a qualified county no longer has an unemployment rate above the state average, then the authority shall decertify that county. The authority shall not finance any facilities in that county and an approved company shall not be eligible for the incentives offered by KRS 152.262 to 152.298 unless the financing agreements required herein are entered into by all parties within one (1) year after the date of the decertification.

(2) The authority shall promulgate standards for the determination and approval of eligible companies and their economic development projects. These standards shall give greatest weight to the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to residents of the Commonwealth; and the likelihood of the economic success of the economic development project. No economic development project which will replace manufacturing facilities existing in the state shall be approved by the authority. With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. After a diligent review of relevant materials and completion of its inquiries, the authority may by resolution of its board of directors designate an eligible company to be an approved company and authorize the undertaking of its economic development project in the qualified county.

(10) An ad valorem tax for state purposes on distilled spirits shall be levied according to the following rate schedule:

A personalized plate shall not be issued unless an application accompanied by a fee of twenty-five dollars ($25) is received by the transportation cabinet on or before September 1 preceding the year in which the plate or renewal thereof is to be issued. Any payments required to be made under this section shall be in the form of a certified check, a cashier's check or a money order. The application and the twenty-five dollar ($25) fee is to be forwarded immediately to the transportation cabinet. Personalized plates issued under this section expire December 31 each year.

(2) No personalized plate shall be issued which would conflict with or duplicate the alphabetical-numerical system used for regular license plates or any other license plates issued in this Commonwealth, and it shall contain a combination of not more than six (6) letters of the alphabet and arabic numerals, including spaces, ***or a combination of numbers which occupy no more than six (6) spaces***. All personalized license plates issued pursuant to this section after December 31, 1988, shall have the same design as the license plates described by KRS 186.240(4).

(3) When registering a vehicle required to be registered under KRS 186.050(1) or (3)(a) the cabinet shall send the personalized plate to the county clerk in the county in which the applicant would be required to register his motor vehicle. The county clerk of the county of residence shall issue said personalized license plate and receive thirteen dollars fifty cents ($13.50), of which two dollars ($2.00) shall constitute the clerk's fee and eleven dollars fifty cents ($11.50) shall constitute the cabinet's fee.

(4) When registering a motorcycle, the cabinet shall send the personalized plate to the county clerk in the county in which the applicant would be required to register his motorcycle. The clerk shall issue said personalized plate and receive five dollars ($5) and three dollars ($3) for each sidecar attachment.

(5) (a) Upon the sale, transfer or termination of lease of such motor vehicle bearing such personalized plate, the owner or lessee shall remove same and return it and the certificate of registration to the county clerk. The clerk shall issue a regular license plate and certificate of registration upon payment of an eleven dollar fifty cent ($11.50) state fee and a two dollar ($2) clerk's fee. This vehicle can then be transferred as provided by KRS Chapter 186.

(b) When said personalized plate has been presented to the clerk, he shall reissue same free of charge by the transportation cabinet and upon payment of a one dollar ($1.00) clerk's fee, for use on any other vehicle of the same classification and category owned or leased by the same person purchasing the personalized plate for the current license period. The license plate and decal on this other vehicle shall be turned in to the county clerk, who will forward the license plate to Frankfort.

(6) Any applicant seeking a license plate according to this section for a vehicle provided to him pursuant to an occupation shall conform to the requirements set forth in KRS 186.050(14).

(7) In the event a personalized plate deteriorates, if he has not transferred a vehicle during the current license period, the applicant may obtain a regular plate free.

The social worker shall, whenever possible, be chosen from among employes of the cabinet for human resources residing or working in the area, and there shall be no additional compensation for their service on the interdisciplinary evaluation team.

(2) At least one (1) person participating in the compilation of the report shall have knowledge of the particular disability which the respondent is alleged to have or knowledge of the skills required of the respondent to care for himself and his estate.

SECTION 4. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) An income beneficiary is entitled to income from the date specified in the trust instrument, or, if none is specified, from the date an asset becomes subject to the trust. In the case of an asset becoming subject to a trust by reason of a will, it shall become subject to the trust as of the date of the death of the testator even though there is an intervening period of administration of the testator's estate.

(2) In the administration of a decedent's estate or an asset becoming subject to a trust by reason of a will:

(a) Receipts due but not paid at the date of death of the testator shall be principal; and

(b) Receipts in the form of periodic payments, other than corporate distributions to stockholders, including rent, interest, or annuities, not due at the date of the death of the testator shall be treated as accruing from day to day. That portion of the receipt accruing before the date of death shall be principal, and the balance shall be income.

(3) In all other cases, any receipt from an income producing asset shall be income even though the receipt was earned or accrued in whole or in part before the date when the asset became subject to the trust.

(4) On termination of an income interest, the income beneficiary whose interest is terminated, or his estate, to the extent the income beneficiary would have been entitled but for the termination of the income interest, shall be entitled to:

(a) Income undistributed on the date of termination;

(b) Income due but not paid to the trustee on the date of termination; and

(c) Income in the form of periodic payments, other than corporate distributions to stockholders, including rent, interest, or annuities, not due on the date of termination, accrued from day to day.

(5) Corporate distributions to stockholders shall be treated as due on the day fixed by the corporation for determination of stockholders of record entitled to distribution or, if no date is fixed, on the date of declaration of the distribution by the corporation.

SECTION 5. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) Unless the will otherwise provides and subject to subsection (2), all expenses incurred in connection with the settlement of a decedent's estate, including, but not limited to, debts, funeral expenses, estate and inheritance taxes, interest and penalties concerning taxes, family allowances, fees of attorneys, accountants and personal representatives, and court costs shall be charged against the principal of the estate.

(2) Unless the will otherwise provides, income from the assets of a decedent's estate after the death of the testator and before distribution, including income from property used to discharge liabilities, shall be determined in accordance with the rules applicable to a trustee under this Act and distributed as follows:

(a) To specific non-pecuniary legatees and devisees, the income from the property bequeathed or devised to them respectively, less taxes, ordinary repairs, and other expenses attributable to management and operation of the property, and taxes imposed on income derived from the property, excluding taxes on capital gains, which accrue during the period of administration;

(b) To all other legatees and devisees, except specific legatees of pecuniary bequests not in trust, the balance of the income, less the balance of taxes, ordinary repairs, and other expenses attributable to management and operation of all property from which the estate is entitled to income, and the balance of taxes imposed on income, excluding taxes on capital gains, which accrue during the period of administration, in proportion to their respective interests in the undistributed assets of the estate computed at times of distribution on the basis of inventory value.

(3) To specific legatees of pecuniary bequests not in trust, who shall receive only the sum provided in the will, no income shall be distributed except as otherwise provided in KRS 394.520.

(4) Income received by a trustee under subsection (2) shall be treated as income of the trust.

SECTION 6. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) Corporate distributions of shares of the distributing corporation, including distributions in the form of a stock split or stock dividend, shall be principal. A right to subscribe to shares or other securities issued by the distributing corporation accruing to stockholders on account of their stock ownership and the proceeds of any sale of the right shall be principal.

(2) Except to the extent that the corporation indicates that some part of a corporate distribution is a settlement of preferred or guaranteed dividends accrued since the trustee became a stockholder or is in lieu of an ordinary cash dividend, a corporate distribution shall be principal if the distribution is pursuant to:

(a) A call of shares;

(b) A merger, consolidation, reorganization, or other plan by which assets of the corporation are acquired by another corporation; or

(c) A total or partial liquidation of the corporation, including any distribution which the corporation indicates is a distribution in total or partial liquidation or any distribution of assets, including cash pursuant to a court decree or final administrative order by a government agency ordering distribution of the particular assets.

(3) Distributions made from ordinary income, as it is determined for federal income tax purposes, by a regulated investment company or by a trust qualifying and electing to be taxed under federal law as a real estate investment trust shall be income. All other distributions made by a regulated investment company or by a qualifying real estate investment trust including distributions from capital gains, depreciation, or depletion, whether in the form of cash or an option to take new stock or cash or an option to purchase additional shares, shall be principal.

(4) Except as provided in subsection (1), (2), and (3), all corporate distributions shall be income, including cash dividends, distributions of or rights to subscribe to shares or securities or obligations of corporations other than the distributing corporation, and the proceeds of the rights or property distributions. Except as provided in subsections (2) and (3), if the distributing corporation gives a stockholder an option to receive a distribution either in cash or in its own shares, the distribution chosen shall be income.

(5) The trustee may rely upon any statement of the distributing corporation as to any fact relevant under any provision of this Act concerning the source or character of dividends or distributions of corporate assets.

SECTION 7. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) Bonds or other obligations for the payment of money shall be principal at their inventory value, except as provided in subsection (2) for discount bonds. No provision shall be made for amortization of bond premiums or for accumulation for discount. The proceeds of sale, redemption, or other disposition of the bonds or obligations shall be principal.

(2) The increment in value of a bond or other obligation for the payment of money, bearing no stated interest or containing no provision for annual interest payments, but payable or redeemable at maturity or at a future time at an amount in excess of the price at which it was issued or purchased, if purchased after issuance, shall be distributable as income. If the increment in value accrues and becomes payable pursuant to a fixed schedule of appreciation, it may be distributed to the beneficiary who was the income beneficiary at the time of increment from the first principal cash available or, if none is available, when the increment is realized by sale, redemption, or other disposition. The trustee may distribute from principal to the income beneficiary an amount equal to the income tax payable by the beneficiary as a result of the original issue discount reportable by the beneficiary for income tax purposes. When any amount is distributed as income but out of principal under this section, the principal shall be reimbursed for the distributed amount from the increment when realized.

SECTION 8. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) If any part of the principal is used in the continuance of a business, the net profits of the business, computed in accordance with generally accepted accounting practices for a comparable business, shall be income. If a loss results in any fiscal or calendar year, the loss shall fall on principal and shall not be carried into any other fiscal or calendar year for purposes of calculating net income.

(2) Generally accepted accounting practice shall be used to determine income from an agricultural or farming operation, including the raising of animals or the operation of a nursery.

SECTION 9. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) If any part of the principal consists of a right to receive royalties, overriding or limited royalties, working interests, production payments, net profit interests, other interests in minerals or other natural resources in, on or under land, the receipts after taking the natural resources from the land shall be allocated as follows:

(a) If received as rent on a lease or extension payments on a lease, the receipts shall be income;

(b) If received from a production payment, the receipts shall be income to the extent of any factor for interest or its equivalent provided in the instrument governing the production payment. There shall be allocated to principal the fraction of the balance of the receipts which the unrecovered cost of the production payment bears to the balance owed on the production payment, exclusive of any factor for interest or its equivalent. The receipts not allocated to principal shall be income;

(c) If received as a royalty, overriding or limited royalty, or bonus, or from a working, net profit, or any other interest in minerals or other natural resources, receipts not provided for in the preceding paragraphs of this section shall be apportioned on a yearly basis in accordance with this paragraph, whether or not any natural resource was being taken from the land at the time the trust was established. There shall be added to principal as an allowance for depletion the percentage of gross receipts that is allowed to the trust as a deduction for depletion in computing taxable income for federal income tax purposes, but not to exceed fifty percent (50%) of the net receipts remaining after payment of all expenses, direct and indirect, computed without allowance for depletion. The balance of the gross receipts after payment therefrom of all expenses, direct and indirect, shall be income.

(2) If a trustee, on the effective date of this Act, held an item of depletable property of a type specified in this section, he shall allocate receipts from the property in the manner used before the effective date of this Act, but as to all depletable property acquired after the effective date of this Act by an existing or new trust, the method of allocation provided herein shall be used.

(3) This section shall not apply to timber, water, soil, sod, dirt, turf, or mosses.

SECTION 10. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

If any part of the principal consists of land from which merchantable timber may be removed, the receipts from taking the timber from the land shall be allocated in accordance with paragraph (c) of subsection (1) of Section 2.

SECTION 11. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

Except as provided in Sections 9 and 10, if the principal consists of property subject to depletion, including leaseholds, patents, copyrights, royalty rights, and rights to receive payments on a contract for deferred compensation, receipts from the property, not in excess of five percent (5%) per year of its inventory value, shall be income, and the balance shall be principal.

SECTION 12. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in this section, a portion of the net proceeds of sale of any part of principal which has not produced an average net income of at least one percent (1%) per year of its inventory value for more than a year, including as income the value of any beneficial use of the property by the income beneficiary, shall be treated as delayed income to which the income beneficiary is entitled as provided in this section. The net proceeds of sale shall be the gross proceeds received, including the value of any property received in substitution for the property disposed of, less the expenses, including capital gains tax, if any, incurred in disposition and less any carrying charges paid while the property was underproductive.

(2) The sum allocated as delayed income shall be the difference between the net proceeds and the amount which, had it been invested as simple interest at five percent (5%) per year while the property was underproductive, would have produced the net proceeds. This sum, plus any carrying charges and expenses previously charged against income while the property was underproductive, less any income received by the income beneficiary from the property and less the value of any beneficial use of the property by the income beneficiary, shall be income, and the balance shall be principal.

(3) An income beneficiary or his estate shall be entitled to delayed income under this section as if it accrued from day to day during the time he was a beneficiary.

(4) If principal subject to this section is disposed of by conversion into property which cannot be apportioned easily, including land or mortgages such as realty acquired by or in lieu of foreclosure, the income beneficiary shall be entitled to the net income from any property or obligation into which the original principal is converted while the substituted property or obligation is held. If within five (5) years after the conversion the substituted property has not been further converted into easily apportionable property, no allocation as provided in this section shall be made.

(5) This section shall not apply to securities listed on a national securities exchange or traded over the counter if the securities are held in a broadly diversified portfolio designed to produce a reasonable return appropriate to the purposes of the trust.

SECTION 13. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) The following charges shall be made against income:

(a) Ordinary expenses incurred in connection with the administration, management, or preservation of the trust property, including regularly recurring taxes assessed against any portion of the principal, water rates, premiums on insurance taken upon the interests of the income beneficiary, remainderman, or trustee, interest paid by the trustee, and ordinary repairs, trustee's compensation except commissons computed on principal;

(b) A reasonable allowance for depreciation on property subject to depreciation under generally accepted accounting practices, but no allowance shall be made for depreciation of that portion of any real property used by a beneficiary as a residence or for depreciation of any property held by the trustee on the effective date of this Act for which the trustee is not then making an allowance for depreciation;

(c) Court costs, attorney's fees, and other fees incurred with respect to regular accountings, unless the court directs otherwise;

(d) All expenses reasonably incurred for current management of principal and application of income; and

(f) Any tax levied upon receipts defined as income under this Act or the trust instrument and payable by the trustee.

(2) If charges against income are of an unusual amount, the trustee may by means of reserves or other reasonable means charge them over a reasonable period of time and withhold from distribution sufficient sums to regularize distributions.

(3) The following charges shall be made against principal:

(a) Trustee's compensation not chargeable to income under subsection (1) of this section, special compensation of trustee, expenses reasonably incurred in connection with principal, court costs and attorney's fees not chargeable to income under subsection (1) of this section and trustee's compensation computed on principal as an acceptance, distribution, or termination fee;

(b) Charges not provided for in subsection (1), including the cost of investing and reinvesting principal; the payments on principal of any indebtedness, including a mortgage amortized by periodic payments of principal; expenses for preparation of property for rental or sale; and, unless the court directs otherwise, expenses incurred in maintaining or defending any action to construe the trust or protect it or the property or assure the title of any trust property;

(c) Extraordinary repairs or expenses incurred in making a capital improvement to principal, including special assessments; but a trustee may establish an allowance for depreciation out of income to the extent permitted by paragraph (b) of subsection (1) of this section and by Section 8;

(d) Any tax levied upon profit, gain, or other receipts allocated to principal notwithstanding denomination of the tax as an income tax by the taxing authority; and

(e) If an estate or inheritance tax is levied in respect of a trust in which both an income beneficiary and a remainderman have an interest, any amount apportioned to the trust, including interest and penalties, even though the income beneficiary also has rights in the principal.

(4) Regularly recurring charges payable from income shall be apportioned to the same extent and in the same manner that income is apportioned under Section 4.

SECTION 14. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

(1) The provisions of Section 13 so far as applicable and excepting those dealing with costs of, or special taxes or assessments for, improvements to property, shall govern the apportionment of expenses between income beneficiary and remainderman where no trust has been created, subject to any legal agreement of the parties or any specified direction of the taxing or other statutes; but where either the income beneficiary or remainderman has incurred an expense for the benefit of his own estate and without the consent or agreement of the other, he shall pay the expense in full.

(2) Subject to the exceptions stated in subsection (1) of this section, the cost of, or special taxes or assessments for, an improvement representing an addition of value to property forming part of the principal shall be paid by the income beneficiary, where the improvement cannot reasonably be expected to outlast the income beneficiary's interest. In all other cases, a portion thereof only shall be paid by the income

beneficiary while the remainder shall be paid by the remainderman. The portion shall be ascertained by taking that percentage of the total which is found by dividing the present value of the income beneficiary's interest by the present value of an estate of the same form as that of the income beneficiary except that it is limited for a period corresponding to the reasonably expected duration of the improvement. The computation of present values shall be made on the expectancy basis set forth in the American Experience Tables of Mortality and no other evidence of duration or expectancy shall be considered.

SECTION 15. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO READ AS FOLLOWS:

Except as specifically otherwise provided in the trust instrument, or in this Act, this Act shall govern the ascertainment of income and principal and the apportionment of receipts and expenses between income beneficiaries and remaindermen in all cases where principal has been established with or without the interposition of a trust, including, but not limited to, any receipt or expense received or incurred by a trust, a legal life estate, an estate for a term of years, or an estate of a decedent.

This Act shall be construed to effectuate its general purpose to make uniform the law of those states which enact it.

WHEREAS, in 1988, the General Assembly passed a statute relating to claims against local governments in KRS 65.2001 through 65.2006; and

WHEREAS, one particular section of this statute, KRS 65.2003, relating to claims which are to be disallowed against local government has been misconstrued; and

WHEREAS, despite the clear language of the statute, local governments have been sued for acts which clearly were not contemplated by the statute to present a hazard of liability; and

Section 1. That in the passage of KRS 65.2001 through 65.2006, and particularly the passage of KRS 65.2003, the General Assembly did not intend for a local government to be liable for an act which was the result of criminal conduct or tortious acts of persons with no relation to the local government.

Section 3. That a duty to inspect shall only be inferred when a statute other than KRS 65.2003 requires the making of an inspection.

Section 5. That the issuance of a permit by a local government with regard to a premises or building does not, and cannot, guarantee that the premises or building will withstand damage from fire, flood, explosion, tornado, other natural or manmade disaster, or the results of a criminal act.

Section 6. That the liability in all cases listed in Sections 4 and 5 and in KRS 65.2003, rests upon the actor who commits a criminal act, or the tortfeasor but not upon the local government.

In order to adjust the per diem compensation of the members of the General Assembly to reflect changes in the purchasing power of the dollar, the Department for Local Government shall compute by the second Friday in February every year, beginning in 1991, adjusted per diem payments. The initial adjusted per diem payments shall be computed by first multiplying the per diem compensation specified in KRS 6.190, 6A.020, 7.090(3) and 7.110(5) by the increase in the consumer price index during the period from January 1, 1990, to January 1, 1991 and then by reducing the adjusted amount if necessary, so that the percentage increase does not exceed the percentage of the annual increments actually granted state employees in fiscal year 1990-91 under KRS 18A.355 and the financial plan enacted for that period. In 1992 and thereafter, the adjusted per diem payments shall be computed by first multiplying the per diem compensation computed for the preceding calendar year by the increase in the consumer price index during that entire preceding calendar year and then by reducing the adjusted amount, if necessary, so that the percentage increase does not exceed the percentage of the annual increment actually granted state employees beginning July 1 of the preceding calendar year under KRS 18A.355 and the financial plan enacted under KRS 48.300. The actual per diem compensation paid to the members of the General Assembly for the calendar year of 1991 and subsequent years shall be the per diem compensation computed according to this section, subject to the limit established by Section 246 of the Kentucky Constitution on permissible annual compensation of officers whose jurisdiction or duties are coextensive with the Commonwealth, as adjusted according to the consumer price index formula approved in Matthews v. Allen, Ky., 360 S.W.2d. 135 (1962).

SECTION 4. A NEW SECTION OF KRS CHAPTER 6 IS CREATED TO READ AS FOLLOWS:

In order to equate the expense allowances of the members of the General Assembly with the purchasing power of the dollar, the Department for Local Government shall compute by the second Friday in February every year, beginning in 1991, adjusted expense allowances. The initial adjustments shall be computed by first multiplying the expense allowances specified in KRS 6.211, 6.213, 6.220, 6A.030 and 6A.050 by the increase in the consumer price index from January 1, 1990, to January 1, 1991. The adjusted amounts shall, then be reduced, if necessary, so that the percentage increase does not exceed the percentage of the annual increment actually granted state employees in fiscal year 1990-91 under KRS 18A.355 and the financial plan enacted for that period. In 1992 and thereafter, the adjusted expense allowances shall be computed by multiplying each allowance computed for the preceding calendar year by the increase in the consumer price index during that entire preceding calender year and then by reducing the adjusted amount, if necessary, so that the percentage increase does not exceed the percentage of the annual increment actually granted state employees beginning July 1 of the preceding calendar year under KRS 18A.355 and the financial plan enacted under KRS 48.300. The actual expense allowances paid to the members of the General Assembly during calendar year 1991 and subsequent years shall be the allowances computed under this section.

And on page 14, after line 15, By adding the following new section:

"SECTION 11. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests, is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health care services, there is no requirement that a health care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Refering the patient to another appropriate professional or health care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person, who has obtained or has knowledge of a test result pursuant to this section, shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;

2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

3. A physician, nurse, or other health care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

4. Health care providers consulting between themselves or with health care facilities to determine diagnosis and treatment;

5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

6. A health facility or health care provider which procures, processes, distributes, or uses:

a. A human body part from a deceased person, with respect to medical information regarding that person; or

b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;

7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;

9. A person allowed access by a court order which is issued in compliance with the following provisions:

a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;

d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;

e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person *except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.*

(6) (a) The Cabinet for Human Resources shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate;

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test;

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. The cabinet shall continue to provide for anonymous testing and counseling;

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other private or public facility established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet;

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312 or 313 to register with the cabinet if he does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop a program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus."

Amend printed GA copy of **SB 317/HCS** on page 28, line 24, by adding thereafter the following:

"Section 9. KRS 109.120 is amended to read as follows:

(1) The board may adopt ***administrative*** [~~such rules and~~] regulations as are necessary to carry out the purposes for which the waste management district was created and necessary for the adequate management of solid waste in a manner adequate to protect the public health [~~and consistent with such rules and regulations as may be promulgated by the department~~].

(2) Notwithstanding the provisions of other state laws, the General Assembly intends that the authority to regulate the management of solid waste shall be shared by the state and waste management districts. The General Assembly acknowledges that waste management district officials have a greater awareness of local conditions which could render state solid waste management administrative regulations inappropriate or inadequate. Therefore, the board of a waste management district may adopt administrative regulations which are more stringent than administrative regulations of the cabinet or may adopt administrative regulations in areas of solid waste management in which the cabinet has not adopted administrative regulations.

SECTION 10. A NEW SECTION OF KRS CHAPTER 109 IS CREATED TO READ AS FOLLOWS:

(1) A county or a waste management district shall, to the maximum extent practicable, implement measures to reduce or recycle solid waste in accordance with standards developed by the cabinet.

(2) A county or a waste management district may direct that certain classes or types of materials be recycled and require segregation and removal of identified materials or substances from waste streams prior to disposal of the waste.

SECTION 11. A NEW SECTION OF KRS CHAPTER 109 IS CREATED TO READ AS FOLLOWS:

(1) A waste management district may limit or prohibit disposal within the district of solid waste generated outside of the district on terms and conditions as are deemed necessary to protect the public health and environmental quality within the district.

(2) The district may reject an application for a new solid waste incinerator or solid waste landfill or expansion of an existing solid waste incinerator or landfill within the waste management district upon determining that:

(a) The application does not meet the standards established by the district pursuant to KRS 109.120;

(b) Approval of the application will result in dedication of land area within the district to solid waste disposal beyond that which is necessary to provide for proper disposal of the solid waste generated within the waste management district;

(c) The application is inconsistent with the solid waste management plan adopted by the county or waste management district; or

(d) The district determines that the past performance in this or related waste management fields by the applicant, or persons owning or controlling or owned or controlled by the applicant, indicates a pattern of performance incompatible with assuring protection of the public health, safety, and environment of the district.

(3) The waste management district shall issue a written letter of approval to an applicant for a new or expanded solid waste incinerator or landfill if the requirements of subsection (2) of this section have been met.

(4) A waste management district may enter into agreements with one (1) or more other waste management districts for the management of solid wastes and may approve disposal of waste generated outside of the district at facilities located in the district on terms and conditions deemed necessary to protect public health and the environment within the district.

(5) The waste management district shall be deemed the solid waste planning area for the purposes of this chapter and KRS 224.887, and the district board shall be responsible for the development, revision and implementation of solid waste management plans for the planning area.

(6) The waste management district shall provide for reasonable public notice of all meetings and requests for a written letter of approval. The waste management district shall be subject to the Kentucky Open Records Law found at KRS 61.870 to 61.884 and the Kentucky Open Meetings Act found at KRS 61.805 to 61.850.

(7) Each waste management district shall develop and submit, as a component of the solid waste management plan required under KRS 224.888, a specific plan for assuring that adequate capacity for solid waste management, including waste recycling, reduction, treatment and disposal, will be developed when needed to meet the solid waste management needs of the district identified under KRS 224.888 for five (5), ten (10) and twenty (20) years in the future, including specific steps to be taken to assure proper management of solid waste generated within the district. If an existing waste management district fails to modify the solid waste management plan to conform to the requirements of this subsection within a one (1) year period after enactment of this Act, or fails to implement the plan, the provisions of Section 4 of this Act shall not apply thereafter with respect to that district until the time compliance is attained. Waste management districts created after the date of enactment of this Act shall comply with the requirements of this Act within one (1) year after formation of the district.

SECTION 12. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) If a permit applicant for a new or expanded solid waste incinerator or landfill or for a modification to an existing solid waste incinerator or landfill seeks to locate the facility within a waste management district, the cabinet shall not issue the permit until the applicant first applies to the waste management district for a written letter of approval, and submits to the cabinet a written letter of approval issued by the district. The cabinet shall not approve any modification to an existing solid waste incinerator or landfill permit including, but not limited to, changes in ownership and the addition of new waste streams and waste sources, until the waste management district has considered and approved the modifications.

(2) When the cabinet issues a permit for a facility for which a written letter of approval has been obtained, the conditions of the cabinet permit shall incorporate the conditions of the written letter. In addition, the cabinet shall incorporate into its permit the applicable regulations of the district and shall enforce the district regulations as conditions of the permit.

Section 13. KRS 109.042 is amended to read as follows:

(1) A county or urban-county government may employ an enforcement representative to ensure compliance with applicable administrative regulations of the cabinet relating to construction and operation of solid waste landfills. The local government representative shall possess at least minimum qualifications required of representatives of the cabinet performing similar functions. ***The cabinet shall establish minimum standards for the educational background and experience of local inspectors.***

(2) The cabinet shall promulgate administrative regulations for local government inspection of solid waste landfills and enforcement procedures. The administrative regulations shall include but not be limited to, requiring local enforcement representatives to report violations of state solid waste landfill laws and administrative regulations immediately to the cabinet and requiring the cabinet to respond to the report within seventy-two (72) hours of its receipt.

(3) A county or urban-county government which elects to implement a local inspection and enforcement program for solid waste landfills ***may*** [~~shall~~] finance the program from the license fees provided for in KRS 68.178.

Section 14. If any provision of Sections 9 through 13 of this Act or the application of Sections 9 through 13 of this Act to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of Sections 9 through 13 of the Act which can be given effect without the invalid provision or application, and to this end the provisions of Sections 9 through 13 of this Act are severable.

Section 15. Whereas, the need for proper control and review of solid waste facilities is a present need and the siting and modification of waste facilities is increasingly affecting communities across the Commonwealth, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor."; and

SCR 133, A CONCURRENT RESOLUTION directing the Legislative Research Commission to create a task force to study the potential amendment of the Open Records Act.

WHEREAS, the enactment of the Kentucky Open Records Act in 1976 intended to provide all citizens of the Commonwealth access, at nominal cost, to records documenting government activities; and

WHEREAS, the legislature recognizes that the Commonwealth's citizens, expect certain information, which, while essential to government operations, should not be disclosed to the detriment of the privacy interests of individuals or to the vital interests and operations of the Commonwealth; and

Records by the property valuation administrator may be relied upon to determine the identity and address of said owner.

A department shall make payment for such service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of such service credit. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(12) A retired member, who is contributing to one (1) of the state administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, will have his retirement allowance recomputed:

If the employe elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employe may not separate those purchases under a new installment purchase.

(2) Any employee participating in one (1) of the state administered retirement systems who did not elect membership in the county employees retirement system, as provided in subsection (2) of KRS 78.540, may obtain credit in the county employees retirement system for prior service and for current service by paying to the county employees retirement system a delayed contribution payment for the service he would have received had he elected membership. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. Payment shall be by lump sum except that the employee may pay by increments. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. Payment shall be by lump sum except that the employee may pay by increments. The minimum increment payment shall be for a full year of service unless there is a fraction remaining after all full years have been paid for. Effective August 1, 1988, each employee of the Kentucky racing commission who was employed by the racing commission on the date that agency first participated in the Kentucky employees retirement system, whether or not the employee was eligible to participate in the retirement system on that date, shall receive current service credit for all employment with the racing commission from July 1, 1956, to the date the employee first began participating in the retirement system. The cost of the service credit shall be paid at the time of each member's retirement by the racing commission and shall be credited to the retirement allowance account.

(5) An employee who is or was an employee of a county participating in the county employees retirement system which did not participate in the system effective July 1, 1958, may obtain credit in the county employees retirement system for current service between July 1, 1958, and the effective date of participation of his county by paying to the county employees retirement system a delayed contribution payment for the service he would have received had his county participated on July 1, 1958. The minimum increment payment shall be for a full year of service unless there is a fraction remaining after all full years have been paid for.

(6) Effective August 1, 1988, service credit obtained under subsections (1) to (5), ***(8)***[~~(7)~~] to (12)[~~(11)~~], ***(14)***[~~(13)~~] ***and (15)***[~~(14)~~] of this section shall be disallowed and the recontribution of refund, including interest as determined by the board ***or other***[~~, and the delayed contribution~~] payment, if any, shall be paid to the member, upon request, if the member does not obtain for service performed six (6) months current service credit in one (1) of the state administered retirement systems or as an employee of a parted employer. The service requirement shall be waived if the member dies or becomes disabled as provided for by KRS 61.600.

(7) ***The member shall not receive benefit of service for the same period of time in another public defined benefit retirement fund.***

(8) Any employee participating in one (1) of the state administered retirement systems who has obtained for service performed six (6) months' current service credit in one (1) of the retirement systems administered by the Kentucky retirement systems, who formerly worked for a state university in a position which would have qualified as a regular full-time position had the university been a participating department, and who did not have the option to be covered at the university by an advance funded retirement program in which he could vest during his period of employment, or did not participate in a retirement system which can be consolidated with other accounts pursuant to KRS 61.680(2), may obtain credit in the county employees retirement system, the Kentucky employees retirement system or the state police retirement system for prior and current service by paying either retirement system a delayed contribution payment for the service he would have received had his period of university employment been covered by the county employes, Kentucky employees retirement system or state police retirement system. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer.

(9)[~~(8)~~] (a) Effective August 1, 1980, any county participating in the county employees retirement system may purchase current service, between July 1, 1958 and participation date of the county, for present employees of the county who have obtained coverage under KRS 78.540(2);

(c) Cost of the service credit purchased under this subsection shall be determined by computing the discounted value of the additional service credit based on an actuarial formula recommended by the board's consulting actuary and approved by the board. A department shall make payment for such service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of such service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

(d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for such service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;

Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12)[~~(11)~~] Effective August 1, 1988, any employee participating in one (1) of the state administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on an annual or fiscal year basis. ***If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred (100) hours of work.*** The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(13)[~~(12)~~] A retired member, who is contributing to one (1) of the state administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, will have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(14)[~~(13)~~] Any employee participating in one (1) of the state administered retirement systems may obtain credit for prior or current service for any period of approved educational leave by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15)[~~(14)~~] Any employee participating in one (1) of the state administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16)[~~(15)~~] Any employee participating in one (1) of the retirement systems administered by Kentucky retirement systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705 or 78.520 to 78.852 by making installment payments in lieu of a lump sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; or may have the installment purchase recalculated to add one (1) or more additional service purchases or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments will be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, terminates employment or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have thirty (30) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under subsection (15)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky retirement systems, the employee may complete the ***adjusted*** original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

The board may direct that a specialist be sought.

(3) ***Any person aggrieved by an order or determination of the system may request that a hearing be conducted by the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. The request shall be filed with the general manager, at the system's central office in Frankfort. The request shall not operate as a stay of any reduction, discontinuance or denial of benefits.

(b) Failure of the member to request a formal hearing within the period of time specified shall preclude the member from proceeding any further with his cause of action, unless upon resubmitting his request, he can prove to the board a substantial change in his condition. This paragraph shall not limit the member's right to appeal to a court.

(c) Upon request pursuant to subsection (2)(g) of this section, the system shall schedule a hearing to be held not more than sixty (60) days after the notice of demand for a hearing has been received by the system unless an extension is granted by the hearing officer for good cause shown. The hearing officer may recommend a favorable determination based upon the preponderance of evidence available prior to the hearing. If the recommended favorable action is approved, the hearing shall be canceled. The hearing officer shall not extend the time for a hearing beyond a total of 120 days. The notice of hearing shall be served in accordance with subsection (6) of this section and shall include a statement of the time, place, and nature of the hearing.

by the issuance of subpoenas. Witness testimony may be given by deposition in lieu of personal appearance. An impartial hearing officer appointed and paid by the board shall preside at the hearing, shall keep order, and shall conduct the hearing in accordance with reasonable administrative practice. Oaths and affirmations shall be administered by the hearing officer or court reporter. The hearing officer shall permit any party to represent himself. Failure to appear without good cause or failure to comply with any pre-hearing or interlocutory order of the hearing officer shall be grounds for a default.

(f) Irrelevant, immaterial, or unduly repititious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under judicial rules of evidence, evidence not admissible thereunder may be admitted, except where precluded by statute, if it is of a type commonly relied upon by reasonable and prudent persons in the conduct of their affairs. Hearing officers shall give effect to the rules of privilege recognized by law. Objections may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form. Upon request, parties shall be given an opportunity to compare the copy with the original. A party may conduct cross-examinations required for a full and true disclosure of the facts. Notice may be taken of generally recognized technical or scientific facts within the system's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The system's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

(g) Each formal hearing shall be recorded, and a transcript made available on the motion of any party or by order of the hearing officer. Unless otherwise agreed, the party requesting the transcript shall provide payment for the original, and all others desiring copies shall pay the cost thereof. When certified as a true and correct copy of the testimony by the system, the transcript shall constitute the official transcript of the evidence.

(h) The hearing officer shall make a determination after hearing and based on a preponderance of the evidence appearing in the record as a whole. The hearing officer shall prepare findings of fact and conclusions of law and may recommend an approval or a reduction, discontinuance or denial of disability benefits pursuant to subsection (2)(g) of this section or KRS 61.615(1).

(i) The hearing officer shall, within thirty (30) days of the close of the formal hearing make a report and a recommended order to the board. The report and recommended order shall contain the appropriate findings of fact and conclusions of law. If the board finds upon written request of the hearing officer that additional time is needed, then the board may grant a reasonable extension. The hearing officer shall mail, postage prepaid, a copy of his report and recommended order to all parties. The parties may file within seven (7) days of mailing of the hearing officer's report and recommended order exceptions to the report and recommended order. There shall be no other or further submissions.

(j) The board shall consider the report and recommended order and any exceptions filed and pass upon the case within a reasonable time in accordance with the policies and procedures established by the board. The board may remand the matter to the hearing officer, adopt the report and recommend order of the hearing officer as the system's final order, or issue their own final order.

(k) The system shall mail the final decision of the board to the member or his legal representative. If any extension of time is granted by the board for a hearing officer to complete his report, the system shall notify the member or his legal representative at the time of the granting of the extension.

(l) The board shall not grant extensions of time to the hearing officer for more than thirty (30) days for any one (1) extension, and no more than two (2) such extensions shall be granted.

(m) A final order for the board shall be based on substantial evidence appearing in the record as a whole and shall set forth the decision of the board and the facts and law upon which the decision is based.

(n) A final order of the board which alters or amends its decision recommended pursuant to KRS 61.665(2)(g) shall relate back and take effect on the date of the recommendation.

(o) There shall be no ex-parte communications between the parties or representatives of the parties and the hearing officer regarding a particular member.

(p) Formal hearings shall be held at the system's office in Frankfort unless another location is determined by the hearing officer.

(q) All requests for a hearing pursuant to this section shall be made in writing.

(4) The board may establish an appeals committee whose members shall be appointed by the chairman and who shall have the authority to act upon the recommendations and reports of the hearing officer pursuant to this section on behalf of the board.

(5) Any person aggrieved by a final order of the system may seek judicial review after all administrative appeals have been exhausted by filing suit in the Franklin circuit court within thirty (30) days after the requester receives notice, as described in subsectin (6) of this section, of the system's determination. No new or additional evidence shall be introduced in that proceeding and the court shall hear the case upon the record as attested.

(6) Any notice or order reducing, discontinuing or denying disability benefits shall be served by one of the following methods:

(a) The system may place a copy of the document to be served in an envelope, and address the envelope to the member to be served at the address of the member existing in the system files or at the address set forth in written instructions furnished by the member or his legal representative. The system shall affix adequate postage and place the sealed envelope in the United States mail as certified mail return receipt requested. The system shall forthwith enter the fact of mailing in the record and make an entry when the return receipt is received. If the envelope is returned with an endorsement showing failure of delivery, that fact shall be entered in the record. The system shall file the return receipt or returned envelope in the record. Service by certified mail is complete upon delivery of the envelope. The return receipt shall be proof of the time, place and manner of service.

The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan.***

(b) The beneficiary may purchase military service credit only at one (1) time by lump sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 6.505(2).

(3) If spouses both serve in the general assembly, but not simultaneously, they may combine their service credit in the legislators' retirement plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(4) [~~(3)~~] In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(5)[~~(4)~~] A former legislator whose spouse currently serves in the general assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and such service credit shall become part of the single account authorized by subsection (2) of this section.

(6) A member who has qualified for benefits pursuant to KRS 6.525(1) may, until July 1, 1991, transfer to the Legislators Retirement Plan up to ten (10) years of service credit which he has earned in the County Employees' Retirement System. If the member elects to transfer his County Employees' Retirement System service credit, that system shall transfer to the legislators retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the County Employees' Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred by the County Employees' Retirement System and the cost of the credit to the Legislators Retirement Plan, as determined by the actuary for the Legislators Retirement Plan. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 6.505(2).".

Accumulated sick leave in excess of six (6) months shall be added to the member's service credit***, and the last participating Kentucky Employees Retirement Systems employer shall pay*** [~~if the member pays~~] to the retirement system the value of the additional service credit based on the formula adopted by the board. All of a state policeman's sick leave balance, expressed in months, shall be added to his service credit for the purposes of determining his annual retirement allowance and whether the member is eligible to receive a retirement allowance under KRS 16.510 to 16.652.

(3) The provisions of this section shall not apply to a participating agency whose employees are not employed by the Commonwealth until the agency certifies to the board that a sick leave program has been formally adopted and is universally administered within the agency.

Section 4. KRS 161.155 is amended to read as follows:

(1) As used in this section:

(a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state;

Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill or that the teacher was absent for the purpose of attending to a member of his immediate family

who was ill. The ten (10) days of sick leave herein granted may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.

(3) Days of sick leave not taken by a teacher during any school year shall accumulate without limitation and be credited to that teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick [-]leave days credited to a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education ***or transfers from the Department of Education to a school district*** after June 30, 1985.

(4) Accumulated days of sick leave shall be granted to a teacher, if prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.

(5) Any school employee may repurchase previously used sick [-]leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.

(6) A district board of education may adopt a plan for a sick [-]leave bank. ***The*** [~~Such~~] plan may include limitations upon the number of days a teacher may annually contribute to the bank and limitations upon the number of days a teacher may annually draw from the bank. The sick [-]leave bank shall be administered in accordance with a policy adopted by the board of education.

(7) A teacher may use up to thirty (30) days of sick leave following the adoption of a child or children.

(8) After July 1, 1982, a district board of education may compensate, at the time of retirement, an employee or a teacher for each unused sick [-]leave day. (2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky teachers' retirement system. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account[~~. A maximum of one-half (1/2) year of credit may be added to a member's service credit~~] for the purpose of determining the retirement allowance under KRS 161.620. Such sick-leave credit shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 161.600.

(3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.

(4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155(8) or any other statutory provision.

(5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.

(6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions."

"SECTION 3. A NEW SECTION OF KRS CHAPTER 12 IS CREATED TO READ AS FOLLOWS:

Any person shall, while serving as a public official or employee in the executive branch, endeavor to pursue a course of conduct which will not raise suspicion among the people of the Commonwealth that he may be engaged in acts in violation of the trust vested in him by the people. The principles of ethical behavior contained in this Act shall recognize that:

(1) The proper operation of democratic government requires that a public official or employee be independent and impartial; that government policy and decisions be made through the established processes of government; that a public official or employee shall not use public office to obtain private benefits; that a public official or employee shall avoid action which creates the appearance of using public office to obtain a benefit; and that the public must have confidence in the integrity of its government and public officials and employees.

(1) A public official or employee has an interest which is in conflict with the proper discharge of his duties in the public interest and of his responsibilities as prescribed by the Constitution and laws of the Commonwealth, if he has reason to believe or expect that, because of his personal or private interests, he or any member of his immediate family or persons with whom he maintains a close economic association will derive a direct monetary gain or suffer a direct monetary loss as a result of actions taken to discharge his duties as a public official or employee. A personal or private interest may be presumed to exist when a public official or employee:

(a) Has a financial interest by reason of ownership of, control of, or the exercise of power over any interest greater than ten thousand dollars ($10,000) or five percent (5%) of the ownership value of any business as defined in subsection (1) of Section 4 of this Act, which could be affected by decisions made or action taken by virtue of his position; or is an officer, director, agent or owner of such business;

(3) A personal or private interest may not exist if any benefit or detriment which accrues to the public official or employee, as a member of a business, profession, occupation or other group, or to a member of his family or business associate is of no greater extent than the benefit which accrues generally to other members of such business, profession, occupation or other group.

(3) Licenses revoked pursuant to this chapter shall forthwith be surrendered to the court upon conviction. The court shall transmit the conviction records, and other appropriate information to the Transportation Cabinet. No court shall waive or stay this procedure.

(4) Should a person convicted under this chapter whose license is revoked fail to surrender it to the court upon conviction the court shall issue an order directing the sheriff or any other peace officer to seize the license forthwith and deliver it to the court.

SECTION 16. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Any person who operates or is in physical control of a motor vehicle or a vehicle that is not a motor vehicle, in this state, is deemed to have given his consent to testing of his blood, breath or urine for the purpose of determining alcohol concentration or presence of a substance which may impair one's driving ability, if charged with violation of KRS 189A.010(1) or 189.520(1).

(2) Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section and the test may be given.

(3) The breath, blood and urine tests administered pursuant to this section shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person has committed a violation of KRS 189A.010(1) or 189.520(1). The law enforcement officer shall direct whether the test shall be of blood, breath or urine.

(a) Tests of the person's breath, blood or urine, to be valid pursuant to this section, shall have been performed according to the administrative regulations promulgated by the secretary of the Justice Cabinet.

(b) All breath tests shall be administered by a law enforcement officer holding a certificate, as an operator of a breath analysis instrument, issued by the secretary of the Justice Cabinet or his designee.

(4) The state shall provide one (1) breath alcohol analysis and simulating unit for each county, paid for by state funds received pursuant to the service fee levied in KRS 189A.050. All units shall be approved by the secretary of the Justice Cabinet or his designee.

(5) A breath test shall consist of a simulator sample test followed by two (2) breath sample tests, taken within three (3) minutes of each other. The lower of the two (2) readings shall be the test result for all purposes under this section.

(6) If the law enforcement officer has reasonable grounds to believe there is impairment by a substance which is not subject to testing by a breath test, a blood or urine test may be required, even after a breath test has been administered.

(7) Only a physician, registered nurse, phlebotomist, paramedic or medical technician, not otherwise prohibited by law and acting at the request of the law enforcement officer, can withdraw any blood of any person submitting to a test under this section.

(8) The person tested shall be permitted to have a person listed in subsection (7) of this section of his own choosing administer a test or tests in addition to any tests administered at the direction of the law enforcement officer. The actual cost of this test, but not exceeding twenty-five dollars ($25), shall be paid by the Justice Cabinet. Any amount in excess of twenty-five dollars ($25) shall be paid by the defendant. If the defendant is convicted the court shall direct the defendant to reimburse the Justice Cabinet for the actual cost of the test, but not exceeding twenty-five dollars ($25). The Justice Cabinet shall utilize funds from the service fee for this purpose and shall place funds received under this section in the account utilized for service fee funds. Tests conducted under this section shall be conducted within a reasonable length of time after the test by the law enforcement officer. Test results shall be adjusted to reflect any difference in time or testing method which would have a scientific bearing upon the test results.

(9) No person shall be compelled to submit to any test or tests specified in this subsection but his refusal to submit to such tests shall result in revocation of his driving license as provided in Section 21 of this Act.

(10) At the time a breath, blood or urine test is requested, the person shall be informed:

(a) Of his rights as required by the "Miranda" case;

(b) That if the person refuses to submit to such tests the person's right to drive shall be revoked for a period of at least six (6) months pursuant to Section 21 of this Act;

(c) That if the person refuses to submit to such tests the court has no choice but to assess the penalty for the highest level of intoxication shown for the offense;

(d) That if a test is taken and the results indicate that the person has an alcohol concentration of 0.10 percent (1/10%) or greater or is under the influence of alcohol or a substance that may impair one's driving ability or a combination of alcohol and such substance, the person will be subject to criminal penalties and the person's driving license may be revoked for a period of at least ninety (90) days;

(e) That if a test is refused by the person, that refusal can be introduced as evidence at the trial on the charge of violation of KRS 189A.010(1) or 189.520(1);

(f) That after submitting to testing, the person shall be permitted to have an additional test or tests administered by a person listed in subsection (7) of this section of his choosing, at state expense if the cost does not exceed twenty-five dollars ($25); that if he is convicted he will have to repay the cost of the test, and that if the test costs more than twenty-five dollars ($25) he will have to pay the amount in excess of twenty-five dollars ($25).

SECTION 17. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

The purpose of Sections 17 to 23 of this Act is the following:

(1) To provide safety for all persons using the highways of this state by quickly revoking the driving privilege of those persons who have shown themselves to be safety hazards by driving with an excessive concentration of alcohol in their bodies; and

(2) To guard against the potential for any erroneous deprivation of the driving privilege by providing an opportunity for administrative hearing as quickly as possible.

SECTION 18. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall revoke the license of any person holding a valid Kentucky driving license and shall deny or revoke the driving privilege within this state of a Kentucky resident not holding a valid Kentucky motor vehicle operator's license upon receipt of report of a law enforcement officer that:

(a) The person drove or was in actual physical control of a motor vehicle while the alcohol concentration in the person's blood or breath was 0.10 percent (1/10%) or more, and was charged with violation of KRS 189A.010(1);

(b) That the person drove or was in actual physical control of a motor vehicle and was charged by a law enforcement officer of this state with violation of KRS 189A.010(1), and that when requested by that law enforcement officer to take any test or tests pursuant to Section 16 of this Act, that person did refuse to submit to said test or tests.

(2) The revocation or denial shall be final unless an administrative hearing is requested pursuant to Section 20 of this Act.

(3) The revocation or denial by the cabinet is independent of the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect any revocation or denial under this section.

SECTION 19. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) The law enforcement officer who charges any person with violation of KRS 189A.010(1), shall immediately forward to the cabinet a sworn report of all information relevant to the enforcement action, if the person charged has an alcohol concentration of 0.10 percent (1/10%) or greater or has refused to submit to any test or tests requested pursuant to Section 16 of this Act. This report shall include information which adequately identifies the person charged, a statement of the officer's grounds for belief that the person violated KRS 189A.010(1), a statement of the results of any chemical tests which were conducted or that these tests were offered and the person charged refused to submit to the tests, and the citation number of the charge. The forms shall be signed by the officer under penalty of perjury, but it shall not be necessary to notarize his signature unless requested by the cabinet.

(2) The report required by this section shall be made on the form specified by the Transportation Cabinet and the Justice Cabinet.

SECTION 20. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) The notice of revocation shall clearly specify the reason and statutory grounds for the revocation, the effective date of the revocation, the right of the person to request an administrative hearing, the time within which the administrative hearing must be requested, the procedure for requesting an administrative hearing including the issues considered, and the time within which the administrative hearing shall be held.

(2) When the chemical test results for a person who has been charged with a violation of KRS 189A.010(1) show an alcohol concentration of 0.10 percent (1/10%) or more, or when the person charged refuses to submit to any chemical tests specified by Section 16 of this Act, after being requested to submit to these tests by the law enforcement officer, the officer, acting on behalf of the cabinet, shall serve the notice of revocation personally on the arrested person.

(3) When the law enforcement officer serves the notice of revocation, the officer shall take possession of any motor vehicle operator's license issued by this state, which is in the possession of the person charged. When the officer takes possession of a valid motor vehicle operator's license issued by this state, the officer, acting on behalf of the cabinet, shall issue a temporary motor vehicle operator's license which is valid for thirty-five (35) days after its issuance. This fact shall be clearly indicated on the face of the temporary motor vehicle operator's license.

(4) A copy of the completed notice of revocation form, a copy of any completed temporary driver license form, and any motor vehicle operator's license taken into possession under this section, shall be forwarded immediately to the cabinet by the officer.

(5) In the event that the law enforcement officer is unable to serve a notice of revocation on the person at the time of the filing of the charge, the cabinet shall mail the notice of revocation to the person at the last known address on the cabinet's record, by regular mail, and to the address provided by the law enforcement officer's report, by regular mail, if that address differs from the address of record. A notice by regular mail shall be deemed received three (3) days after mailing by the cabinet.

(6) The cabinet shall provide the forms for notice of revocation and temporary motor vehicle operator's permits to all law enforcement agencies in the state.

SECTION 21. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) The revocation of license or privilege to operate a motor vehicle shall become effective thirty-five (35) days after the person has received notice of revocation or is deemed to have received the notice of revocation by mail, as provided in Section 20 of this Act.

(2) The period of revocation of license or privilege to operate a motor vehicle under this section for a person that operated or was in actual physical control of a motor vehicle while the alcohol concentration in the person's blood or breath was 0.10 percent (1/10%) or more, shall be as follows:

(a) The period shall be ninety (90) days, if the person's driving history record shows no prior alcohol or substance related enforcement contacts during the immediately preceding five (5) years;

(b) The period shall be one (1) year, if the person's driving history record shows one (1) alcohol or substance related enforcement contact during the immediately preceding five (5) years;

(c) The period shall be two (2) years, if the person's driving history records shows two (2) or more prior alcohol or substance related enforcement contacts during the immediately preceding five (5) years.

(3) The period of revocation of license or privilege to operate a motor vehicle under this section for a person charged with violation of KRS 189A.010(1), who was requested by a law enforcement officer to take any test or tests pursuant to Section 16 of this Act, and refused to submit to the test or tests, shall be as follows:

(a) The period shall be one hundred eighty (180) days, if the person's driving history record shows no prior alcohol or substance related enforcement contacts during the immediately preceding five (5) years;

(b) The period shall be one (1) year, if the person's driving record shows one (1) alcohol or substance related enforcement contact during the immediately preceding five (5) years;

(c) The period shall be two (2) years, if the person's driving history record shows two (2) or more prior alcohol or substance related enforcement contacts during the immediately preceding five (5) years.

(4) In order to be reinstated to the privilege of operating a motor vehicle following revocation periods of subsections (2)(a) and (3)(a) of this section, the person shall have completed an alcohol or substance abuse treatment or education program in accordance with KRS 189A.040, and shall pay a license reinstatement fee of fifteen dollars ($15) to the cabinet in addition to any other fees required by statute.

(5) For purposes of this section, "alcohol or substance related enforcement contacts" shall mean any revocation under this Act, any suspension or revocation entered in this or any other state for refusal to submit to chemical testing under an implied consent law, and any conviction, suspension or revocation in this state or any other state for a violation which involves operating or being in control of a motor vehicle while having an unlawful alcohol concentration, or while under the influence of alcohol or other substance that may impair one's driving ability, or any combination of alcohol and such substance.

(6) If a license or privilege to operate a motor vehicle is revoked under this section and the person is also convicted of a violation of KRS 189A.010(1), arising out of the same occurrence, both the revocation under this section and the revocation pursuant to KRS 189A.070 shall be imposed. The periods of revocation shall run or be deemed to run concurrently, so that the total suspension shall not exceed the longer of the two (2) suspensions.

SECTION 22. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Any person who has received a notice of revocation may make a written request for an administrative hearing, which request shall be filed within ten (10) days of receipt of the notice of revocation. The request shall be made on the form designated by the cabinet, which shall be attached to the notice of revocation. At the time of the filing of the request for review, the requesting person shall pay a hearing fee as established by the cabinet. If the person's driving license has not been previously surrendered, it must be surrendered at the time the request for hearing is made. The request for hearing shall be deemed filed on the date of the postmark of the mailing of the request for hearing to the cabinet, at its designated office, or on the date which the request is hand delivered to the office designated by the cabinet. Filing of the request for hearing does not stay the license revocation.

(2) The hearing shall be scheduled to be held as quickly as practicable within not more than twenty-five (25) days of the receipt by the cabinet of the request for a hearing. The hearing shall be held at a place designated by the cabinet as close as practicable to the place where the offense occurred, unless the parties agree to a different location. The cabinet shall provide a written notice of the time and place of the hearing to the party requesting the hearing, at least ten (10) days prior to the scheduled hearing, unless the parties agree to waive this requirement.

(a) The cabinet, upon its own motion or the motion of the person requesting the hearing, for good cause, may reschedule the hearing one (1) time to a date not more than thirty-five (35) days after the receipt of the request for a hearing. If the hearing is rescheduled at the request of the cabinet, the cabinet shall extend the temporary license for a period equal to the length of the continuance but not more than ten (10) days. If the hearing is rescheduled at the request of the person requesting the hearing, then no extension of the temporary license shall be granted.

(3) The hearing officer shall be an authorized representative designated by the secretary of the cabinet. The presiding hearing officer shall have authority to administer oaths and affirmations; to examine witnesses and take testimony; to receive relevant evidence, including exhibits; and to regulate the course and conduct of the hearing. The hearing officer shall make a written recommendation on the issues of fact and law to the secretary or his designee.

(4) The cabinet may issue subpoenas for any person with information relevant to the hearing. Any person who fails without good cause to appear pursuant to a valid subpoena issued and served by the cabinet shall be subject to:

(a) An administrative fine for the purpose of reimbursing the cabinet its expenses. The fines shall be assessed by the cabinet and shall not exceed the cost to the cabinet to schedule and hold the hearings; or

(b) Contempt proceedings which shall subject the subpoenaed parties to powers of the court to compel his attendance. Contempt proceedings may be filed in Franklin Circuit Court upon verified complaint by the cabinet.

(5) The cabinet or the person on whose behalf the hearing is being held may have witnesses subpoenaed. The person shall bear the cost of all witnesses subpoenaed. The hearing officer may, at his discretion, hold the hearing by telephonic conference or receive the testimony of any witness by telephonic conference.

(6) The scope of the hearing shall be limited to the issues of:

(a) Whether the person was advised of the implied consent law as required by Section 16 of this Act; and

(b) Whether the law enforcement officer requested the person or persons to take the test or tests pursuant to Section 14 of this Act; and

(c) Whether the law enforcement officer had reason to believe that the person was driving or in actual physical control of a motor vehicle in violation of KRS 189A.010(1); and

(d) Whether the person refused to submit to the testing as provided in Section 16 of this Act; and

(e) Whether a properly administered test or tests disclosed an alcohol concentration of 0.10 percent (1/10%) or more; and

(f) Whether the person has been charged with violation of KRS 189A.010(1).

(7) The hearing shall be recorded. A decision shall be made by the secretary or his designee, based upon review of the written recommendations of the hearing officer and shall be in writing. A copy shall be mailed to the person who requested the hearing and his attorney, if he is represented at the hearing, within ten (10) days of the date of the hearing.

(8) If the person on whose behalf the hearing was scheduled fails to appear without just cause, the right to a hearing shall be waived and the revocation shall be final.

SECTION 23. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Within twenty (20) days of the issuance of the final determination of the secretary or his designee following a hearing under Section 20 of this Act, a person aggrieved by the determination shall have the right to file a petition in the Circuit Court in the county where the offense occurred, or in the Franklin Circuit Court, for judicial review.

(2) The filing of an appeal under subsection (1) of this section does not automatically stay the cabinet's revocation order. The court may grant a stay of the order only upon a motion and hearing, if requested, with notice to the cabinet, and upon a finding that there is a reasonable probability that the petitioner will prevail on the merits and that the petitioner will suffer irreparable harm if the order is not stayed.

(3) The review shall be limited to the record of the hearing, without taking additional testimony. If the court finds the cabinet exceeded its constitutional or statutory authority, made an erroneous interpretation

of the law, acted in an arbitrary and capricious manner, or made a determination which is unsupported by the evidence in the record, the court may reverse the cabinet's determination or remand the case to the cabinet for reconsideration in conformity with this Act.

(4) The petitioner shall pay the cost of preparing the transcript of the administrative hearing.

Section 24. KRS 189.520 is amended to read as follows:

(1) No person under the influence of intoxicating beverages or any substance which may impair one's driving ability shall operate a vehicle that is not a motor vehicle anywhere in this state.

(2) No peace officer or state police officer shall fail to enforce rigidly this section [~~and KRS 189A.010 through 189A.090~~].

(3) In any criminal prosecution for a violation of [~~KRS 189A.010 or~~] subsection (1) of this section, wherein the defendant is charged with having operated a vehicle while under the influence of intoxicating beverages, the amount of alcohol in the defendant's blood as determined at the time of making an analysis of his blood, urine, breath or other bodily substance, shall give rise to the following presumptions:

(a) If there was 0.05 percent (5/100%) or less by weight of alcohol in such blood, it shall be presumed that the defendant was not under the influence of intoxicating beverages;

(b) If there was more than 0.05 percent (5/100%), but less than 0.10 percent (1/10%) by weight of alcohol in such blood, such fact shall not constitute a presumption that the defendant either was or was not under the influence of intoxicating beverages, but such fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant;

(c) If there was 0.10 percent (1/10%) or more by weight of alcohol in such blood, it shall be presumed that the defendant was under the influence of intoxicating beverages.

(4) The provisions of subsection (3) of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether the defendant was under the influence of intoxicating beverages.

[~~(5) No person may be compelled to submit to any test specified in subsection (3) of this section, but his refusal to submit to such test shall result in revocation of his license as provided in KRS 186.565(3).~~

~~(6) Only a physician, registered nurse or qualified medical technician, duly licensed in Kentucky, acting at the request of the arresting officer can withdraw any blood of any person submitting to a test under this section or KRS 186.565.~~

~~(7) The person tested shall be permitted to have a duly licensed physician of his own choosing administer a test in addition to the one administered at the direction of the police officer.~~]

Section 25. KRS 186.560 is amended to read as follows:

(1) The cabinet shall forthwith revoke the license of any operator of a motor vehicle upon receiving record of his conviction of any of the following offenses:

(a) Murder or manslaughter resulting from the operation of a motor vehicle;

(b) Driving a vehicle which is not a motor vehicle while under the influence of alcohol or any other substance which may impair one's driving ability;

(c) Perjury or the making of a false affidavit under KRS 186.400 to 186.640 or any law requiring the registration of motor vehicles or regulating their operation on highways;

(d) Any felony in the commission of which a motor vehicle is used;

(e) Conviction or forfeiture of bail upon three (3) charges of reckless driving within the preceding twelve (12) months;

(f) Conviction of driving a motor vehicle involved in an accident and failing to stop and disclose his identity at the scene of the accident;

(g) Conviction of theft of a motor vehicle or any of its parts, including the conviction of any person under the age of eighteen (18) years;

(h) Failure to have in full force and effect the security required by subtitle 39 of KRS Chapter 304 upon conviction of a second and each subsequent offense within any five (5) year period; and

(i) Conviction for fraudulent use of a driver's license or use of a fraudulent driver's license to purchase or attempt to purchase alcoholic beverages, as defined in KRS 241.010, in violation of KRS 244.085.

(2) If the person convicted of any offense named in subsection (1) of this section is not the holder of a license, the cabinet shall deny the person so convicted a license for the same period of time as though he had possessed a license which had been revoked. If through an inadvertence the defendant should be issued a license, the cabinet shall forthwith cancel it.

(7) License suspensions and revocations under KRS 189A.060, 189A.070, and 189A.080 shall be in addition to any other license revocation authorized by law or regulation. The powers of the Transportation Cabinet to revoke a license or lengthen the period of revocation shall not be affected by KRS Chapter 189A.

(8) In order to secure the reinstatement of a license to operate a motor vehicle or motorcycle restored following a period of suspension or revocation pursuant to KRS 189A.060, 189A.070, and 189A.080 the person whose license is suspended or revoked shall comply with the fees and other procedures of the Transportation Cabinet with regard to the reinstatement of suspended or revoked licenses.

"SECTION 9. A NEW SECTION OF KRS CHAPTER 109 IS CREATED TO READ AS FOLLOWS:

(1) Within one (1) year of the effective date of this Act, any county or waste management district intending to continue to exercise the authority granted under this section must revise the solid waste management plan required under KRS 224.888 for the district to conform to the requirements of subsection (7) of this section. No later than one (1) year after the effective date of this Act, a substantially complete revision to the solid waste management plan must be submitted, and the cabinet shall make a preliminary determination on whether the submittal is administratively complete within sixty (60) days.

No county or waste management district shall exercise any of the authority provided in this section after July 15, 1991, unless it has received approval of a waste management plan revision conforming to subsection (7) or it has submitted a substantially complete waste management plan revision conforming to subsection (7) which has not been disapproved.

(2) An applicant for a permit for construction or expansion of a solid waste landfill or incinerator shall submit a copy of the application to the district at or before the time the application is submitted to the cabinet. The waste management district shall review the application for compliance with the provisions of this section, and shall conduct a public hearing after public notice has been given in accordance with KRS Chapter 424 prior to making the determination provided for in this section. The hearing shall afford all interested persons opportunity to submit written and oral comments, and the proceeding shall be recorded and transcribed. The waste management district shall render a decision on the application within ninety (90) days after receipt of a complete application.

(3) The district may reject an application for a new solid waste incinerator or solid waste landfill or expansion of an existing solid waste incinerator or landfill within the waste management district upon determining that:

(a) The application does not meet those standards established by the district and approved by the cabinet pursuant to KRS 109.120;

(b) Approval of the application will result in dedication of land area within the district to solid waste disposal beyond that which will meet the needs for waste management within the district identified under KRS 224.888 for five (5), ten (10), and twenty (20) years;

(c) The application is inconsistent with the solid waste management plan adopted by the county or solid waste management district and approved by the cabinet;

(d) The district determines that the past performance in this or related waste management fields by the applicant, or persons owning or controlling or owned or controlled by the applicant, indicates a pattern of performance incompatible with assuring protection of the public health, safety, and environment of the district.

(4) Where a waste management district rejects an application, the cabinet shall not issue the permit unless the preliminary determination under KRS 224.855 includes a finding that the decision of the district is arbitrary and capricious and unsupported in the record developed before the district.

(5) Appeal of final actions of the district, including any determination under subsection (4) of this section, shall be taken by any aggrieved person within thirty (30) days to a local circuit court within the district.

(6) The waste management district shall provide for reasonable public notice of meetings. The waste management district shall be subject to the Kentucky Open Records Law, KRS 61.870 et seq. and the Kentucky Open Meetings Act, KRS 61.805 et seq.

(7) Each waste management district shall develop and submit, as a component of the solid waste management plan required under KRS 224.888, a specific plan for assuring that adequate capacity for solid waste management, including waste recycling, reduction, treatment, and disposal, will be developed when needed to meet the solid waste management needs of the district identified under KRS 224.888 for five (5), ten (10), and twenty (20) years in the future. The plan component shall include specific steps to be taken to assure proper management of solid waste generated within the district, and shall provide a detailed analysis of the economic feasibility of the plan in addressing the waste management needs of the district.

(8) A county or waste management district shall, to the maximum extent practicable, implement measures to reduce and recycle solid waste.

(9) Subject to approval by the cabinet, the waste management district may adopt regulations governing siting of solid waste landfills or incinerators as are necessary to assure protection of public health and the environment. Public notice and a thirty (30) day comment period shall be provided for regulations proposed for adoption by a district under this chapter.

(10) The solid waste management district shall have no authority to regulate the disposal of agricultural wastes, including manures and crop residues which are returned to the soil as fertilizers or soil conditioners.

Floor Amendment No. 3 to **SB 105**, by Representative Ridley:

Amend printed copy of GA copy of **SB 105** on page 10, after line 21, by inserting the following:

"Section 9. KRS 224.866 is amended to read as follows:

(1) No person shall engage in the storage, treatment, recycling or disposal of hazardous waste without first notifying the cabinet and obtaining construction and operation permits from the cabinet. The cabinet shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste site or facility or a regional integrated waste treatment and disposal demonstration facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to insuring that hydrologic, seismologic, geologic and soil considerations have been adequately addressed in the permit application and in an operational

plan. In no case shall a permit to construct a hazardous waste incinerator, landfill or other site or facility for the land disposal of hazardous waste be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to KRS 224.855(6). The cabinet shall not issue a construction permit to a regional integrated waste treatment and disposal demonstration facility until it has been issued a certificate of environmental safety and public necessity. A person desiring a construction permit shall file an application on forms supplied by the cabinet which shall contain such information as the cabinet deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the cabinet. The applicant shall not initiate construction at the proposed site of a new facility for the storage, treatment or disposal of hazardous waste until notice has been given to that portion of the public most likely to be affected by the operation of the proposed facility pursuant to KRS 224.855(1) to (5) and until a construction permit for said facility has been issued by the cabinet. The cabinet may consider past performance in this or related fields by the applicant. The cabinet, in making a determination to issue, deny or condition a construction permit, shall consider the following:

(a) An evaluation of alternatives, to include other locations and other treatment, storage, and disposal approaches, different from those proposed, available to the applicant;

(b) An evaluation of the public health, safety, and environmental aspects of the proposals;

(c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety and the environment;

(d) An evaluation of mitigation measures to alleviate problems identified in paragraphs (b) and (c) of this subsection; and

(e) The relationship of the proposal to local planning and existing development.

Except that in the case of hazardous waste incinerators, landfills or other sites or facilities for the land disposal of hazardous waste the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.855(6); in the case of a regional integrated waste treatment and disposal demonstration facility the provisions of paragraphs (c) and (e) of this subsection shall be determined by the siting board established pursuant to KRS 224.2203.

(2) The cabinet may prohibit the land disposal of any hazardous wastes. The criteria and list of hazardous waste to be prohibited by the cabinet from land disposal shall be identical to any such criteria and list promulgated by the United States Environmental Protection Agency pursuant to the Resource Conservation and Recovery Act of 1976, as amended, (Public Law 94-580). The land disposal of hazardous waste may be permitted for methods determined by the cabinet to be protective of human health and the environment for as long as the waste remains hazardous.

(3) In conjunction with the application for permits under this section the applicant shall establish adequate financial responsibility as follows:

(a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased and an estimate of the cost of post-closure care. In the case of storage facilities, the cost of closing shall include the cost of properly disposing of the hazardous waste stored. The cabinet shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued the applicant for any hazardous waste permit shall assure that the funds needed to close the facility are available by establishing assurance through one (1) or more of the following mechanisms: cash, certificates of deposit, irrevocable credit or other sureties satisfactory to the cabinet and the mechanism shall be established by agreement with the cabinet. The agreement shall provide that disbursement is permissible only upon written approval of the cabinet and whenever, on the basis of any information, the cabinet determines that the owner or operator is in violation of any of the closure requirements for the facility, that the cabinet shall have the right to use part or all of the closure fund to carry out the closure requirements. The financial institution, surety company or escrow agent shall release these funds upon receiving a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. Upon determination that closure has been satisfactorily accomplished, the cabinet shall release the applicant from further financial responsibility for closure;

(b) Any applicant for a hazardous waste disposal permit shall file with the cabinet as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The cabinet shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost ***shall*** [~~will~~] then be used to determine the amount of the post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of thirty (30) years after facility closure. The post-closure monitoring and maintenance fund shall be cash, irrevocable credit or other sureties satisfactory to the cabinet and shall be established by an agreement with the cabinet. The agreement shall provide that whenever, on the basis of any information, the cabinet determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the cabinet shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The funds shall be released upon receipt of a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure and annually, thereafter, for a period of thirty (30) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the cabinet be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year. Request for release of funds for reimbursement ***shall*** [~~must~~] be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan or otherwise justified the cabinet may authorize the release of the funds to the applicant in writing. Any funds remaining in the account following a termination hearing in which the applicant is released of further responsibility ***shall*** [~~will~~] likewise be released to the applicant; and

(c) All applicants for any hazardous waste permit ***shall*** [~~must~~] provide evidence of financial responsibility in an amount and for a time period specified by the cabinet for the purpose of corrective action on and off-site and satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one (1) or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the cabinet. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility ***shall*** [~~must~~] be maintained during the entire operation of the facility and until termination. The minimum liability coverage for sudden occurrences, exclusive of legal defense costs, for a storage, treatment or disposal facility shall be one million dollars ($1,000,000) per occurrence with an annual aggregate of two million dollars ($2,000,000). The minimum liability coverage for nonsudden occurrences, exclusive of legal defense costs, for a hazardous waste facility involving land disposal shall be three million dollars ($3,000,000) per occurrence with an annual aggregate of six million dollars ($6,000,000). Combined coverage for sudden and nonsudden occurrences shall be no less than the combined totals herein set forth for separate coverage.

(4) The cabinet shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of thirty (30) years after closure of the facility, and may apply to the cabinet for termination of the responsibility for post-closure monitoring and maintenance at any time after the site has been closed for at least thirty (30) years. Upon receipt of such application, the cabinet shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The cabinet shall determine either that post-closure monitoring and maintenance of the site is no longer required, in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the cabinet may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment.

(5) In any case where the owner or operator is in bankruptcy, reorganization, or arrangement pursuant to the federal Bankruptcy Code or where jurisdiction cannot be obtained with reasonable diligence in any state court or any federal court over an owner or operator likely to be insolvent at the time of judgment, any claim arising from conduct for which evidence of financial responsibility ***shall*** [~~must~~] be provided under this section may be asserted directly against the guarantor providing such evidence of financial responsibility. In the case of any action pursuant to this subsection, such guarantor shall be entitled to invoke all rights and defenses which would have been available to the owner or operator if any action had been brought against the owner or operator by the claimant and which would have been available to the guarantor if an action had been brought against the guarantor by the owner or operator.

(6) The total liability of any guarantor shall be limited to the aggregate amount which the guarantor has provided as evidence of financial responsibility to the owner or operator under this section. Nothing in this subsection shall be construed to limit any other federal statutory, contractual or common law liability of a guarantor to its owner or operator including, but not limited to, the liability of such guarantor for bad faith either in negotiating or in failing to negotiate the settlement of any claim. Nothing in this subsection shall be construed to diminish the liability of any person under section 107 or 111 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or other applicable law.

(7) For the purpose of this subsection, the term guarantor means any person, other than the owner or operator, who provides evidence of financial responsibility for an owner or operator under this section.

(8) Any hazardous waste treatment, storage or disposal facility shall close in accordance with the permit and this chapter, if the site or facility has not been maintained in operational condition in conformance with this chapter, for any period of six (6) months or longer. The permittee shall be afforded an opportunity to be heard on the proposed termination of authorization to operate, and termination under this section shall not be required where the permittee demonstrates that steps have been taken to bring the facility, within a reasonable time not to exceed ninety (90) days, into full operational status in accordance with this chapter and applicable regulations. Within ninety (90) days, the cabinet shall review existing hazardous waste treatment, storage or disposal permits to determine compliance with this section.

Section 10. Whereas, hazardous waste facilities may pose a threat to human health and the environment if not maintained in operational condition, an emergency is declared to exist and this Act shall become effective upon its passage and approval by the Governor.

"SECTION 13. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) At the end of the period of license suspension or revocation imposed pursuant to this Act, the person whose license was suspended or revoked may apply to the circuit clerk for reinstatement of the license. If all requirements of KRS Chapter 186 have been met and the license has not been suspended or revoked by the Transportation Cabinet for other reasons, the license shall be returned.

(2) Prior to the license being returned, the Transportation Cabinet shall require that an approved ignition interlock device be installed in any vehicle owned or operated by the person:

(a) As a condition of full reinstatement of the person's driving privileges after the ending date of the suspension resulting from the conviction, the Transportation Cabinet shall require a device under this paragraph for at least the first six (6) months after the ending date of the suspension caused by the conviction. Violation of the condition imposed under this section is a Class B misdemeanor.

(b) If an ignition interlock system is required pursuant to this section, the person shall pay to the provider, the reasonable costs of leasing, installing, maintaining, and monitoring the device.

The offense described in this subsection, unlawfully soliciting another to blow into an ignition interlock device or start a motor vehicle equipped with an interlock device, is a Class B misdemeanor.

(5) As used in this section, "ignition interlock system" or ignition interlock device" means a constant monitoring device certified by the secretary of the Transportation Cabinet, which prevents a motor vehicle from being started at any time without first determining the equivalent blood alcohol level of the operator through the taking of deep lung breath sample for testing. The system shall be calibrated so that the motor vehicle may not be started if the blood alcohol level of the operator, as measured by the test, exceeds the level established by the Transportation Cabinet.

(6) The secretary of the Transportation Cabinet shall certify or cause to be certified ignition interlock systems for use in the Commonwealth and promulgate administrative regulations for the certification of said systems.

(a) The standards shall include but not be limited to the following:

1. The system shall not impede the safe operation of the vehicle.

2. The system shall have features that make circumventing difficult and that do not interfere with the normal use of the vehicle.

3. The system shall correlate well with established measures of alcohol impairment.

4. The system shall work accurately and reliably in an unsupervised environment.

In order to adjust the per diem compensation of the members of the General Assembly to reflect changes in the purchasing power of the dollar, the Department for Local Government shall compute by the second Friday in February every year, beginning in 1991, adjusted per diem payments. The initial adjusted per diem payments shall be computed by first multiplying the per diem compensation specified in KRS 6.190, 6A.020, 7.090(3) and 7.110(5) by the increase in the consumer price index during the period from January 1, 1990, to January 1, 1991 and then by reducing the adjusted amount if necessary, so that the percentage increase does not exceed the percentage of the annual increments actually granted state employees in fiscal year 1990-91 under KRS 18A.355 and the financial plan enacted for that period. In 1992 and thereafter, the adjusted per diem payments shall be computed by first multiplying the per diem compensation computed for the preceding calendar year by the increase in the consumer price index during that entire preceding calendar year and then by reducing the adjusted amount, if necessary, so that the percentage increase does not exceed the percentage of the annual increment actually granted state employees beginning July 1 of the preceding calendar year under KRS 18A.355 and the financial plan enacted under KRS 48.300. The actual per diem compensation paid to the members of the General Assembly for the calendar year of 1991 and subsequent years shall be the per diem compensation computed according to this section, subject to the limit established by Section 246 of the Kentucky Constitution on permissible annual compensation of officers whose jurisdiction or duties are coextensive with the Commonwealth, as adjusted according to the consumer price index formula approved in Matthews v. Allen, Ky., 360 S.W.2d. 135 (1962).

SECTION 3. A NEW SECTION OF KRS CHAPTER 6 IS CREATED TO READ AS FOLLOWS:

In order to equate the expense allowances of the members of the General Assembly with the purchasing power of the dollar, the Department for Local Government shall compute by the second Friday in February every year, beginning in 1991, adjusted expense allowances. The initial adjustments shall be computed by first multiplying the expense allowances specified in KRS 6.211, 6.213, 6.220, 6A.030 and 6A.050 by the increase in the consumer price index from January 1, 1990, to January 1, 1991. The adjusted amounts shall, then be reduced, if necessary, so that the percentage increase does not exceed the percentage of the annual increment actually granted state employees in fiscal year 1990-91 under KRS 18A.355 and the financial plan enacted for that period. In 1992 and thereafter, the adjusted expense allowances shall be computed by multiplying each allowance computed for the preceding calendar year by the increase in the consumer price index during that entire preceding calendar year and then by reducing the adjusted amount, if necessary, so that the percentage increase does not exceed the percentage of the annual increment actually granted state employees beginning July 1 of the preceding calendar year under KRS 18A.355 and the financial plan enacted under KRS 48.300. The actual expense allowances paid to the members of the General Assembly during calendar year 1991 and subsequent years shall be the allowances computed under this section.

Section 4. (7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities or special districts as defined in KRS 65.005. This exemption applies only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit is not entitled to the exemption even though such purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. Where the service is classified as residential, use other than for "residential" purposes by the customer will not negate the exemption;

(c) The exemption does not apply where charges for sewer service, water and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

As soon as practical thereafter, the secretary of revenue shall advise the commissioner of insurance of the new rate and the commissioner shall inform the affected insurers. The rate adjustment process shall continue on a biennial basis following the effective date of this Act.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.340 is amended to read as follows:

(1) The board may release on parole such persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails as are eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his admission to an adult state penal or correctional institution or county jail if he is a sentenced felon, and at such intervals thereafter as it may determine, the Corrections Cabinet shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. Such information shall include his criminal record, his conduct, employment and attitude in prison, and the reports of such physical and mental examinations as have been made. The Corrections Cabinet shall furnish the circumstances of his offense and his previous social history to the institution and the board. The Corrections Cabinet shall prepare a report on such information as it obtains. It shall be the duty of the Corrections Cabinet to supplement this report with such material as the board may request and submit such report to the board.

(2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner and shall have him appear before it, or ***two (2)*** [~~one (1)~~] or more members for interview and hearing, except that the board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen.

(3) The board shall adopt rules or regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with such other factors involved that would relate to the inmate's needs and the safety of the public.

(4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the Corrections Cabinet shall provide the necessary assistance and information to the board in order for it to conduct such timely parole reviews.

(5) In addition to or in conjunction with ***each*** [~~the initial~~] hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than ***forty-five (45)*** [~~thirty (30)~~] nor more than ninety (90) days' notice: the ***Commonwealth's*** [~~Commonwealth~~] attorney ***who shall notify the sheriff*** of every county ***and the chief of police of every city and county*** in which the prisoner committed any Class A, B or C felony for which he is imprisoned, and all identified victims of such crimes or the next of kin of any victim who is deceased. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the parole board.*** Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail to the ***Commonwealth's*** [~~Commonwealth~~] attorney who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986 notice to the victims or their next of kin shall be by mail from the parole board to their last known address as provided by the ***Commonwealth's*** [~~Commonwealth~~] attorney to the parole board at the time of incarceration of the prisoner. The notice shall include the time, date and place of the hearing provided for in this subsection, and the name and address of a person to write in the event the recipient of the notice desires to attend the hearing or to submit written comments.

(6) Persons receiving notice as provided for in subsection (5) of this section may submit [~~written~~] comments, ***in person or in writing,*** to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all such comments prior to making its parole decision, provided they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all such comments in the prisoner's permanent parole board file and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition ***to officers listed in subsection (5) of this section***, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor shall have the right to attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, provided only that such persons shall have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of his intention to attend the hearing. The board shall receive and consider all such comments, shall make a record of them which it shall retain in the prisoner's permanent parole board file and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the parole board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.

(7) Any hearing provided for in subsections (5) and (6) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of such hearing for reasons of personal safety, in which event the hearing shall be closed.

(8) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the parole board or any of its members, agents or employees.

(9) The unintentional failure by the parole board***, sheriff, chief of police,*** or any of its members, agents or employees or by a ***Commonwealth's*** [~~Commonwealth~~] attorney or any of his agents or employees to comply with any of the provisions of subsections (5), (6) and (7) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner or any other person.

(10) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he has successfully completed the sexual offender treatment program.

(11) Any prisoner who is granted parole after completion of the sexual offender treatment program shall be required, as a condition of his parole, to participate in regular treatment in a mental health program approved or operated by the Corrections Cabinet.

(2) If the Circuit Court notified pursuant to subsection (1) of this section is a court other than the court which sentenced the inmate, the warden shall also notify the sentencing court.

(2) The commission shall as soon as practicable, but in no event later than ***September*** [~~March~~] 1 in any calendar year award dates for racing in the Commonwealth during the ***next*** year. ***Dates for the conduct of intertrack wagering shall be awarded as provided in KRS 230.377(2).*** In the event scheduled racing is canceled by reason of flood, fire, or inclement weather, the commission may award after ***September*** [~~March~~] 1 additional racing dates to make up for those dates canceled by such flood, fire, or inclement weather. The commission may issue such license to conduct a thoroughbred race meeting to any association making the aforesaid application if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to

the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employees, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would serve to nurture, promote, develop, or improve the thoroughbred industry in the Commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including purses and awards to owners of horses participating in races.

(3) Every license issued under KRS 230.215 to 230.360 shall specify among other things the name of the person to whom issued, the address and location of the track where the thoroughbred race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted; provided, however, that no track which is granted overlapping dates ***for the conduct of a live race meeting*** with another thoroughbred or harness racing track within a fifty (50) mile radius shall be permitted to have a post time after 5:30 p.m., prevailing time for overlapping days between July 1 and September 15, unless agreed to in writing by the tracks affected.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a thoroughbred race meeting at any track not specified therein. However, if the track specified becomes unsuitable for thoroughbred racing or Appaloosa racing because of flood, fire or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) Thoroughbred racing dates may be awarded and licenses issued authorizing thoroughbred racing and Appaloosa racing at a thoroughbred race meeting on any day of the year. Thoroughbred racing or Appaloosa racing at thoroughbred race meetings shall be held or conducted only between sunrise and midnight.

(7) Every thoroughbred race not licensed under this section or Appaloosa race not licensed by this section or KRS 230.620 to 230.760 is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

(2) The commission shall as soon as practicable, but in no event later than ***September*** [~~February~~] 1 in any calendar year award dates for racing in the Commonwealth during the ***next calendar*** year. ***Dates for the conduct of intertrack wagering shall be awarded as provided in KRS 230.377(2).*** In the event scheduled racing is cancelled by reason of flood, fire, inclement weather, or other causes, the commission may award after ***September*** [~~February~~] 1 additional racing dates to make up for those dates cancelled by such flood, fire, inclement weather, or other causes. The commission may issue such license to conduct a standardbred, quarter horse, Appaloosa or Arabian horse race meeting to any association making the aforesaid application if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employees, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would serve to nurture, promote, develop, or improve the standardbred, quarter horse, Appaloosa and Arabian industry in the Commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including, but not limited to, purses and awards to owners of horses participating in races.

(3) Every license issued under this section shall specify among other things the name of the person to whom issued, the address and location of the track where the race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a standardbred, quarter horse, Appaloosa or Arabian horse race meeting at any track not specified therein. However, if the track specified becomes unsuitable for horse racing because of flood, fire or other catastrophe or other causes, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) The commission may at any time require the removal of any official or employee of any association in those instances where it has reason to believe that the official or employee has been guilty of any dishonest practice in connection with standardbred, quarter horse, Appaloosa or Arabian horse racing or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this commission.

(6) The fee for a license issued under this section shall be in such amount as prescribed by the commission.

(7) Every standardbred, quarter horse, Appaloosa or Arabian horse race not licensed under this section is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

Section 11. KRS 230.750 is amended to read as follows:

(1) The commission, including the tax levied in KRS 138.510, deducted from the gross amount wagered by the person, corporation or association which operates a horse track under the jurisdiction of the commission at which betting is conducted through a pari-mutuel or other similar system shall not exceed eighteen percent (18%) of the gross amount handled on straight wagering pools and twenty-five percent (25%) of the gross amount handled on multiple wagering pools, plus the breaks, which shall be made and calculated to the dime. Multiple wagering pools shall include daily double, perfecta, double perfecta, quinella, double quinella, trifecta and other types of exotic betting. Effective July 1, 1990, an amount equal to three percent (3%) of the total amount wagered and included in the commission of a host track shall be allocated by the host track in the following manner. Two percent (2%) shall be allocated to the host for capital improvements, promotions, including advertising, or purses, as the host track shall elect. Three-quarters of one percent (3/4 of 1%) shall be allocated to overnight purses. One-quarter of one percent (1/4 of 1%) shall be allocated to the Kentucky standardbred, quarterhorse, appaloosa and arabian development fund. Such allocation shall be made after deduction from the commission of the pari-mutuel tax but prior to any other deduction, allocation or division of the commission.

(2) Each racing association licensed by the Kentucky Harness Racing Commission shall pay an amount equal to one-half of one percent (1/2 of 1%) of its commissions into a revolving fund to be known as the harness backside improvement fund, and created herein. The provisions of this subsection shall not, however, apply to any association which does not own its backside as of the effective date of this Act. Moneys deposited to the fund shall be allocated back to racing associations in the same percentage paid in, for projects and programs to promote, enhance and improve the condition of association backsides. The commission shall approve any backside improvement project financed in whole or in part by backside improvement funds.

Section 12. Whereas, it is necessary to begin the application process immediately for awarding simulcasting and intertrack wagering dates, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor.

The Senate Committee Substitute to **HB 407** is as follows:

HB 407, AN ACT relating to compensation of crime victims.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 346.020 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Board" means the Crime Victims Compensation Board;

(2) "Child" means any person less than eighteen (18) years of age;

(3) "Claimant" means any of the following claiming compensation under this chapter: a victim, a dependent of a deceased victim, a third person other than a collateral source, or an authorized person acting on behalf of any of them ***who is legally responsible for the expenses incurred by the victim as a result of the crime committed against the victim***;

(4) "Criminally injurious conduct" means conduct that occurs or is attempted in this jurisdiction, poses a substantial threat of personal physical, [~~or in the case of a child,~~] psychological injury or death, and is punishable by fine, imprisonment or death. Acts which, but for the insanity or mental irresponsibility or lack of capacity of the perpetrator, would constitute criminal conduct shall be deemed to be criminally injurious conduct. The operation of a motor vehicle, motorcycle, train, boat, aircraft or other vehicle in violation of law does not constitute a criminally injurious conduct unless the injury or death was intentionally inflicted or involved a violation of KRS 189A.010***, driving under the influence***;

(5) "Family," when used with reference to a person, shall mean:

(a) Any person related to such person within the third degree of consanguinity;

(b) Any person maintaining a sexual relationship with such person; or

(c) Any person residing in the same household with such person; and

(6) ***(a)*** "Victim" means a needy person who suffers personal physical or psychological injury or death from a criminal act in Kentucky as a result of:

1.[~~(a)~~] Criminally injurious conduct;

2.[~~(b)~~] A good faith effort to prevent criminally injurious conduct; or

3.[~~(c)~~] A good faith effort to apprehend a person reasonably suspected of engaging in criminally injurious conduct.

(b) "Victim" shall also mean a resident who is a victim of a crime occurring outside this state if:

1. The crime would be compensable had it occurred inside this state; and

2. The crime occurred in a state which does not have a crime victim compensation program, for which the victim is eligible as eligibility is set forth in KRS 346.050.

SECTION 2. A NEW SECTION OF KRS CHAPTER 346 IS CREATED TO READ AS FOLLOWS:

(1) "Victim" shall also include nonresidents of this state who suffer losses as a direct result of criminal acts occurring within this state.

(2) This section shall be operative only during those time periods during which the board determines that federal funds are available to the state for the compensation of victims of crime.

Section 3. KRS 346.050 is amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, the following persons shall be eligible for awards pursuant to this chapter:

(a) A victim of criminally injurious conduct;

(b) A surviving spouse, parent or child of a victim of criminally injurious conduct who died as a direct result of such conduct; [~~and~~]

(c) Any other person dependent for his principal support upon a victim of criminally injurious conduct who died as a direct result of such crime***; and***

(d) Any person who is legally responsible for the medical expenses or funeral expenses of a victim.

(2) No victim or dependent shall be denied compensation solely because he is a relative of the offender or was living with the offender as a family or household member at the time of the injury or death. However, the board may award compensation to a victim or dependent who is a relative, family or household member of the offender only if the board can reasonably determine the offender will not receive significant economic benefit or unjust enrichment from the compensation.

[~~(2) A person who is criminally responsible for the crime upon which a claim is based or an accomplice of such person or a member of the family of such persons shall not be eligible to receive an award with respect to such claim, except where the board determines, in a particular case, that the interest of justice so requires.~~]

(3) No compensation of any kind shall be awarded when injury occurred while the victim was confined in any state, county, urban county, or city jail, prison or other correctional facility, or any state institution maintained and operated by the cabinet for human resources.

Section 4. KRS 346.060 is amended to read as follows:

(1) A claim ***form*** may be filed by a person eligible to receive an award, as provided in KRS 346.050, or, if such person is a minor, by his parent or guardian.

(2) A claim ***form*** must be filed by the claimant not later than one (1) year after the occurrence of the criminally injurious conduct upon which such claim is based, or not later than one (1) year after the death of the victim, provided, however, that upon good cause shown, the board may extend the time for filing if, in a particular case, the interest of justice so requires.

(3) Claims shall be filed in the office of the board in person or by mail. ***Only printed claim forms supplied by the board shall be accepted.*** The board shall accept for filing all claims submitted by persons eligible under subsection (1) of this section and alleging the jurisdiction requirements set forth in this chapter and meeting the requirements as to form in the rules and regulations of the board.

(4) Upon filing of a claim pursuant to this chapter, the board shall promptly notify the United States attorney (if a federal offense is involved), the commonwealth attorney or county attorney of the county wherein the crime is alleged to have occurred. If, within ten (10) days after such notification, such United States attorney, commonwealth attorney or county attorney advises the board that a criminal prosecution is pending upon the same alleged crime and requests that action by the board be deferred, the board shall defer all proceedings under this chapter until such time as such criminal prosecution has been concluded and shall so notify such United States attorney, commonwealth or county attorney and the claimant. When such criminal prosecution has been concluded such United States attorney, commonwealth or county attorney shall promptly so notify the board. Nothing in this section shall limit the authority of the board to grant emergency awards pursuant to KRS 346.120.

Section 5. KRS 346.080 is amended to read as follows:

(1) A claim, when accepted for filing, shall be assigned by the ***clerk of the board to an investigator for investigation*** [~~chairman to himself or to another member of the board~~]. All claims arising from the death of an individual as a direct result of a crime shall be considered together [~~by a single board member~~].

(2) The ***investigator*** [~~board member~~] to whom such claim is assigned shall examine the papers filed in support of such claim ***and*** [~~. The board member shall thereupon cause an investigation to be conducted into~~] the validity of such claim. Such investigation shall include, but not be limited to, an examination of police, court, and official records and reports concerning the crime.

(3) If the mental, physical, or emotional condition of a victim or claimant is material to a claim, the board [~~member~~] may order the victim or claimant to submit to a mental or physical examination by a physician or psychiatrist, and may order an autopsy of a deceased victim. A report upon such examination shall be filed with the ***investigator*** [~~board member~~] setting out findings, including results of all tests made, diagnosis, prognosis and other conclusions.

(4) For purposes of this chapter there is no privilege except privileges arising from the attorney-client relationship, as to communications or records relevant to an issue of the physical, mental, or emotional condition of the claimant or victim in a proceeding under this chapter in which that condition is an element.

(5) Claims shall be investigated and determined, regardless of whether the alleged criminal has been apprehended or prosecuted for or convicted of any crime based upon the same incident, or has been acquitted, or found not guilty of the crime in question owing to criminal irresponsibility or other legal exemption.

(6) ***Upon completion of the investigator's report, the claim shall be assigned to a board member who*** [~~The board member to whom a claim is assigned~~] may decide such claim in favor of a claimant in the amount claimed on the basis of the papers filed in support thereof and the report of the investigation of ***the*** [~~such~~] claim ***within thirty (30) days of the assignment of the claim***. If the board member is unable to decide such claim upon the basis of such papers and ***the*** [~~such~~] report, he shall order a hearing. At ***the*** [~~such~~] hearing any relevant evidence, not legally privileged, shall be admissible.

(7) After examining the papers filed in support of such claim and the report of investigation, and after a hearing, if any, the board member to whom such claim was assigned shall make a decision either granting an award pursuant to KRS 346.130 or deny the claim.

(8) The board member making a decision shall file a written report setting forth such decision and his reasons therefor and shall thereupon cause the claimant to be notified and furnish him a copy of such report.

Section 6. KRS 346.090 is amended to read as follows:

(1) The claimant may, within thirty (30) days after receipt of the report of the decision of the board member to whom his claim was assigned ***for decision***, make an application in writing to the board for consideration of such decision by the full board.

(2) Any member of the board may, within thirty (30) days after the filing of such report, make an application in writing to the board for consideration of such decision by the full board.

(3) Upon receipt of an application pursuant to subsections (1) or (2) ***of this section***, the board shall review the record and affirm or modify the decision of the ***deciding*** board member to whom the claim was assigned. The action of the board in affirming or modifying such decision shall be final. The board shall file with the ***clerk*** [~~secretary~~] of the board a written report setting forth its decision, and if such decision varies in any respect from the report of the board member to whom the claim was assigned setting forth its reasons for such decision. If the board receives no application pursuant to subsections (1) and (2) of this section the decision of the board member to whom the claim was assigned ***for decision*** shall become the final decision of the board.

(4) The board shall promptly notify the claimant and the Attorney General of the final decision of the board and furnish each with a copy of the report setting forth such decision.

Section 7. KRS 346.130 is amended to read as follows:

(1) No award shall be made unless the board or board member, as the case may be, finds that:

(a) Criminally injurious conduct occurred;

(b) Such criminally injurious conduct resulted in personal physical or psychological injury to or death of, the victim; and

(c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. ***Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the board stating what treatment is planned and for what period of time. A six (6) months progress report will also be required by the board. The board shall have the power to discontinue mental health counseling at any time within the two (2) year period. Replacement of eyeglasses and other corrective lenses shall be included in an award provided they were broken or damaged during the crime.***

(4) Any award made for loss of earnings or support shall, unless reduced pursuant to other provisions of this chapter be in an amount equal to the actual loss sustained; provided, however, that no such award shall exceed one hundred fifty dollars ($150) for each week of lost earnings or support. ***The claimant or victim must have been employed at the time the crime occurred. Said employment shall be verified by the staff of the board after information is provided by the claimant or victim. Should the claimant or victim fail to supply the board with the information requested, the portion of the claim for lost wages or support shall be denied.*** If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct the award shall be apportioned by the board among the claimants.

(5) The board is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument and grave plot. In no event shall an award for funeral expenses exceed ***thirty-five*** [~~twenty-five~~] hundred dollars ***($3,500)*** [~~($2,500)~~].

(6) Any award made under this chapter shall not exceed twenty-five thousand dollars ($25,000).

(7) No award shall be made for any type of property loss or damage.

SECTION 8. A NEW SECTION OF KRS CHAPTER 346 IS CREATED TO READ AS FOLLOWS:

Any person who procures or attempts to procure compensation with this board by filing false information, shall have the claim denied and be forever barred from filing a claim with this board.

Section 9. KRS 346.155 is amended to read as follows:

(1) [~~Notwithstanding any other provision of KRS 346.010 to 346.180,~~] The board may award a lump sum payment not to exceed twenty-five thousand dollars ($25,000) to the family of a police officer employed by a city, county or urban-county government who is killed in the line of duty as a police officer for such city, county or urban-county and who is not eligible to receive death or disability benefits under a pension plan of the city, county or urban county.

(2) This section shall apply to any officer killed in the line of duty since January 1, 1986.

SECTION 10. A NEW SECTION OF KRS CHAPTER 346 IS CREATED TO READ AS FOLLOWS:

The board may apply for funds from, and submit all necessary forms to, any federal agency participating in a cooperative program to compensate victims of crime.

Section 11. KRS 346.185 is amended to read as follows:

(1) There is established in the state treasury the "crime victims' compensation fund," hereinafter referred to as the "fund," to be administered by the Crime Victims' Compensation Board. In all cases in which defendants plead or are found guilty of a crime as defined in KRS 500.080(2), there shall be imposed as an additional cost the sum of ten dollars ($10.00). This sum shall not be suspended or probated. ***This sum shall be collected in its entirety and shall not be prorated.*** The clerk of the court shall collect the cost and forward it monthly to the state treasurer, to be deposited in the fund. Nothing herein shall be construed to limit the power of the court to order additional forms of restitution including public or charitable work or reparation to the victim, to the fund, or otherwise as authorized by law.

(2) The fund shall consist of moneys from the following: appropriations by the General Assembly; the federal government; payments by the defendant pursuant to subsection (1) of this section and any other public or private source. Any unexpended balance remaining in the fund at the end of the biennium shall not lapse and be transferred to the general fund, but shall remain in the crime victims' compensation fund. Any funds not utilized by the board shall be used to provide assistance to programs for victims and the board shall allocate such funds to any agency providing services to victims. In the event there are insufficient funds in the fund to pay all claims in full, all claims shall be paid ***at seventy percent (70%)*** [~~on a pro rata basis~~]. If there are no moneys in the fund, then no claim shall be paid until moneys have again accumulated. In addition to payment of claims, moneys in the fund shall be used to pay all the necessary and proper expenses of the crime victims' compensation board.

(3) When judgment is entered against a defendant as provided in this section and each sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Kentucky to such defendant an amount equal to the unpaid amount of the judgment. The amount shall be paid to the crime victims' compensation fund and satisfaction of the judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for judgment.

The multiplier shall be calculated by dividing the statewide locally taxable business tangible personal property by the total statewide business tangible personal property.*** The certificate shall be filed by each county clerk in his office, and by him certified to the proper collecting officer of the county, city, or taxing district for collection. Any district which has such value certified by the cabinet shall pay annually to the cabinet a fee which represents an allocation of cabinet operating and overhead expenses incurred in generating said valuations. In addition, interest at an annual rate of fifteen percent (15%) shall accrue on said taxes and penalty from the date of delinquency; provided, however, that no penalty or interest shall accrue on a motor vehicle under dealer assignment pursuant to KRS 186A.220.

(4) When a motor vehicle has been transferred before registration renewal or before taxes due have been paid, the owner of record on January 1 of any year shall be liable for the taxes on said motor vehicle, except as hereinafter provided.

(5) In the event that an owner obtains a certificate of registration for a motor vehicle valid through the last day of his second birth month following the month and year in which he applied for a certificate of registration, all state, county, city, urban-county government, school, and special tax district ad valorem tax liabilities arising from the assessment date following initial registration are due and payable on or before the last day of the first birth month following said assessment date or date of transfer, whichever is earlier. The fee shall be collected and retained by the county clerk who collects the delinquent tax.

(9) The implementation of the automated lien system provided in this section shall not affect the manner in which commercial liens are recorded or released.

The Senate Committee Substitute to **HB 419** is as follows:

HB 419, AN ACT relating to water supply planning.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 151.110 is amended to read as follows:

The conservation, development and proper use of the water resources of the Commonwealth of Kentucky have become of vital importance as a result of population expansion and concentration, industrial growth, technological advances and an ever increasing demand for water for varied ***domestic,*** industrial, municipal and recreational uses. It is recognized by the General Assembly that excessive rainfall during certain seasons of the year causes damage from overflowing streams. However, prolonged droughts at other seasons curtail industrial, municipal, agricultural and recreational uses of water and seriously threaten the continued growth and economic well-being of the Commonwealth. The advancement of the safety, happiness and welfare of the people and the protection of property require that the power inherent in the people be utilized to promote and to regulate the conservation, development and most beneficial use of the water resources. It is hereby declared that the general welfare requires that the water resources of the Commonwealth be put to the beneficial use to the fullest extent of which they are capable, that the waste or nonbeneficial use of water be prevented, and that the conservation and beneficial use of water be exercised in the interest of the people. Therefore, it is declared the policy of the Commonwealth to actively encourage and to provide financial, technical or other support for projects that will control and store our water resources in order that the continued growth and development of the Commonwealth might be assured. To that end, it is declared to be the purpose of KRS Chapters 146, 149, 151, 224, 262 and KRS 350.029 and 433.750 to 433.757 for the Commonwealth to permit, regulate, and participate in the construction or financing of facilities to store surplus surface water for future use; to conserve and develop the ground water resources of the Commonwealth; ***to require local communities to develop long range water supply plans;*** to protect the rights of all persons equitably and reasonably interested in the use and availability of water; to prohibit the pollution of water resources and to maintain the normal flow of all streams so that the proper quantity and quality of water will be available at all times to the people of the Commonwealth; to provide for the adequate disposition of water among the people of the Commonwealth entitled to its use during severe droughts or times of emergency; to prevent harmful overflows and flooding; to regulate the construction, maintenance and operation of all dams and other barriers of streams; to prevent the obstruction of streams and floodways by the dumping of substances therein; to keep accurate records on the amount of water withdrawal from streams and watercourses and reasonably regulate the amount of withdrawal of public water; and to engage in other activities as may be necessary to conserve and develop the water resources of the Commonwealth of Kentucky***, and to ensure adequate supply of water for domestic, agricultural, recreational and economic development uses.***

SECTION 2. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall administer a program for the purpose of developing long range water supply plans for each county and its municipalities and public water systems or for a region composed of more than

one (1) county. The plans to be developed shall include an assessment of the existing public and private water resources, both surface and groundwater, of the study area, an examination of present water use in the area, projections of future water requirements, and a determination of possible alternative approaches that can be taken in order to meet future water supply needs.

(2) The plans may be developed by area development districts in conjunction with the counties and its municipalities and public water systems within each district. A county and its municipalities and public water systems may require that the plan be developed for its jurisdictional area only or, if there is agreement between two (2) or more counties, that the plan be developed jointly with other counties.

(3) The plans shall be subject to approval by the cabinet. The cabinet is authorized to approve any water supply plan developed outside of this program which meets the guidelines set out in this Act and the criteria established by cabinet regulations.

SECTION 3. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

The cabinet shall promulgate regulations to carry out the program and shall consult with the Economic Development Cabinet in developing those regulations. The regulations shall set out the details which are to be included in the water supply plans, the procedure for counties and their municipalities and public water systems to apply for financial assistance to pay for the plans, and the criteria and process by which the cabinet will approve plans. The cabinet shall assemble all information in a uniform data base available to all agencies and concerned entities.

SECTION 4. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet, in conjunction with a county and its municipalities and public water systems, shall finance the development of the water supply plans and encourage multi-county cooperation. The county and its municipalities and public water systems shall pay up to twenty (20) percent of the total cost of plan development. A county and its municipalities and public water systems shall be given credit toward its share of the plan's cost for in-kind services performed.

(2) The financial assistance of the cabinet shall be available until July 15, 1996.

(3) After July 15, 1996, the full cost of water supply plan development will be the responsibility of any county and its municipalities and public water systems which has not had a plan approved by the cabinet.

(4) After July 15, 1998, the cabinet shall not endorse projects that impact water under the Kentucky intergovernmental review process for any county and its municipalities and public water systems which does not have an approved water supply plan.

(9) The cabinet shall prepare and annually update an inventory of all sites in the Commonwealth at which there is or has been an environmental emergency or a release of a hazardous substance, pollutant or contaminant. In preparing the inventory the cabinet shall determine, based on information available to the cabinet, the impact of each site on public health and the environment and identify the relative priority for restoration or remedial action. Upon determining that no further restoration or remedial action is necessary, the cabinet shall so designate the site on the inventory. A separate designation of sites where a remedial action involving on-site containment or treatment has been performed and other sites where restoration of the environment has not been achieved shall be maintained. A review of environmental conditions at sites remediated by on-site containment or treatment and other sites where restoration or remediation of the environment is not achieved shall be conducted by the cabinet every five (5) years to determine whether additional action is necessary to protect human health or the environment.

The remedial action shall protect human health, safety, and the environment considering the following factors as appropriate:

(12)[~~(8)~~] Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to Section 311 of the Federal Clean Water Act (Public Law 92-500) as amended, but rather shall be used to provide the Commonwealth with a mechanism for ***additional response to releases and threatened releases of hazardous substances, pollutants, or contaminants*** [~~more immediate response to emergencies resulting from the discharge of hazardous substances~~].

(13) Defenses to liability and limitations to liability shall be determined in accordance with Sections 107(a) through (d) and 113(f)(1) of the Comprehensive Environmental Response Compensation and Liability Act, as amended, and the Federal Clean Water Act, as amended.

HB 157, AN ACT relating to revenue and taxation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 131.170 is amended to read as follows:

The Revenue Cabinet may, when extension is not otherwise provided for, grant a reasonable extension of time for filing reports or returns whenever, in its judgment, good cause therefor exists. The cabinet shall keep a record of such extensions. Except where a taxpayer is abroad, no extension shall be granted for more than six (6) months, and in no case for more than one (1) year. If any extension operates to postpone a tax payment, interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of one-half of one percent (.5%) per month or part thereof~~] shall be collected. The cabinet may condition the extension upon a bond sufficient to cover any tax and penalty determined to be due. The cabinet may, on request, permit a person to file a tax return or report or pay tax on a date other than that prescribed by statute, or to change the fiscal period covered by such return or report, if such a variation will not ultimately effect a reduction in revenue.

Section 2. KRS 136.050 is amended to read as follows:

(1) Except where otherwise specially provided, all corporations required to make reports to the Revenue Cabinet shall pay all taxes due the state from them into the State Treasury at the same time as natural persons are required to pay taxes, and when delinquent shall pay the same rate of interest and penalties as natural persons who are delinquent.

(2) All state taxes assessed against any corporation under the provisions of KRS 136.120 to 136.200 shall be due and payable as provided in KRS 131.110. All county, city, school and other taxes so assessed shall be due and payable thirty (30) days after notice of the amount of the tax is given by the collecting officer. The state, county, city, school and other taxes found to be due on any protested assessment or portion thereof shall begin to bear legal interest on the sixty-first day after the Kentucky Board of Tax Appeals acknowledges receipt of a protest of any assessment or enters an order to certify the unprotested portion of any assessment until paid, except that in no event shall interest begin to accrue prior to January 1 following March 31 of the year in which the report is due. Every corporation so assessed that fails to pay its taxes when due shall be deemed delinquent, a penalty of ten percent (10%) on the amount of the tax shall attach, and thereafter the tax shall bear interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of ten percent (10%) per annum~~].

Section 3. KRS 137.180 is amended to read as follows:

(1) Each person engaged in the business of conducting a race track shall, on or before thirty (30) days following the close of each duly licensed race meeting, furnish the Revenue Cabinet a verified report of the number of days on which races were conducted on that race track during the race meeting, together with a statement of its daily mutuel handle for each such day during the said meeting, and at the same time pay to the state the tentatively correct amount of the license tax apparently due it pursuant to KRS 137.170.

(2) On or before December 31 in each year each [~~such~~] person ***engaged in the business of conducting a race track*** shall file a final report with the Revenue Cabinet giving in summary form a recapitulation of the information furnished by the previous tentative reports filed during the year, computing the final license tax due the state for the year ending November 30 and showing the amount of license tax actually paid during ***the*** [~~such~~] year. Any balance of license tax due the state as shown on ***the*** [~~said~~] final report shall be paid at the same time as the filing thereof. Any overpayment in license tax disclosed by ***the*** [~~said~~] final report shall, at the option of the taxpayer, be promptly refunded by the state or credited against the license tax to be due from the taxpayer in the following year.

(3) Any person who fails to pay the tax due in the time specified shall pay a penalty equal to twenty percent (20%) of the amount of tax due and delinquent, together with interest at ***the tax interest rate as defined in KRS 131.010(6)*** [~~six percent (6%) per annum on both the original tax and the penalty~~].

Section 4. KRS 138.4631 is amended to read as follows:

(1) If any holder of a permit under KRS 138.463(2) fails or refuses to file a return or furnish any information requested in writing, the cabinet may, from any information in its possession, make an estimate of the permit holder's gross rental or lease charges and issue an assessment against ***the*** [~~such~~] permit holder based on the estimated gross rental or lease charges and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties provided by law.

(2) If any holder of a permit under KRS 138.463(2) fails to make and file a return required by KRS 138.463 on or before the due date of the return or the due date as extended by the cabinet, then, unless

it is shown to the satisfaction of the cabinet that the failure is due to a reasonable cause, five percent (5%) of the tax found to be due shall be added to the tax for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the tax; provided, however, that in no case shall the penalty be less than ten dollars ($10).

(3) If the tax imposed by KRS 138.463, whether assessed by the cabinet or the permit holder, or any installment or portion of the tax is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the tax, interest upon the unpaid amount at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of twelve percent (12%) per annum~~] from the date prescribed for its payment until payment is actually made.

Section 5. KRS 139.610 is amended to read as follows:

(1) The cabinet shall upon written request received on or prior to the due date of the return or tax, for good cause satisfactory to the cabinet, extend the time for filing the return or paying the tax for a period not exceeding thirty (30) days.

(2) Any person to whom an extension is granted and who pays the tax within the period for which the extension is granted shall pay, in addition to the tax, interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of eight percent (8%) per annum~~] from the date on which the tax would otherwise have been due.

Section 6. KRS 140.210 is amended to read as follows:

(1) All taxes imposed by this chapter, unless otherwise provided in this chapter, shall be due and payable to the Revenue Cabinet at the death of the decedent. If they are paid within nine (9) months a discount of five percent (5%) shall be allowed, and if they are paid within eighteen (18) months no interest shall be charged and collected thereon. If the taxes due are not paid within eighteen (18) months, a penalty of ten percent (10%) per annum shall be charged and collected from the time the taxes accrued, except in cases where, by reason of claims made upon the estate, necessary litigation, or other unavoidable cause of delay, the estate of the decedent or a part thereof cannot be settled at the end of eighteen (18) months from the death of the decedent. In such cases ***interest at the tax interest rate as defined in KRS 131.010(6)*** [~~only eight percent (8%) per annum~~] shall be charged upon the tax from the expiration of ***the*** [~~said~~] eighteen (18) months until the cause of the delay is removed.

(2) In all cases where the personal representatives or trustees do not pay the taxes within eighteen (18) months from the death of the decedent, they shall be required to give bond in the form and to the effect prescribed by the cabinet, for the payment of the taxes and interest.

Section 7. KRS 140.320 is amended to read as follows:

In the event a qualified person sells, conveys, or otherwise transfers the ownership, directly or indirectly, of the qualified real estate to any person or persons other than another qualified person who is a joint owner or the qualified real estate is converted to a use other than agricultural or horticultural use, then the qualified persons to whom the property passed at the death of the decedent in whose estate the agricultural or horticultural value shall cause to be paid, pursuant to regulations issued by the Revenue Cabinet, the additional inheritance tax that would have been due on the decedent's estate if fair market value had been used to compute the tax due on the estate rather than the agricultural or horticultural value, along with interest on the unpaid tax at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of eight percent (8%) per annum~~].

Section 8. KRS 143A.110 is amended to read as follows:

In every case, any tax not paid on or before the due date shall bear interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of ten percent (10%) per annum~~] from the date due until the date of payment.

Section 9. KRS 234.420 is amended to read as follows:

(1) If any liquefied petroleum gas motor fuel dealer neglects or refuses to make the return required by KRS 234.370 or to pay the tax at the time provided, a penalty of twenty percent (20%) thereof and interest at ***tax interest rate as defined in KRS 131.010(6)*** [~~six percent (6%) per annum~~] from the date when due shall be paid as a part of the tax. If collected by proceedings in court, an additional penalty of twenty percent (20%) shall be collected and distributed as is authorized by KRS 134.400 and 135.060.

(2) If any taxpayer subject to the penalty provided in subsection (1) of this section submits in writing to the cabinet his reasons for failure to comply with KRS 234.370, and if the cabinet finds the reasons evidence of justifiable cause for modifying the penalty provided in subsection (1) of this section, it may modify the

penalty exacted therein to five percent (5%) of the amount of the tax due and delinquent, provided the five percent (5%) penalty may be reduced to a one percent (1%) penalty if the violation is the first violation by the taxpayer within twelve (12) months.

(3) Any liquefied petroleum gas motor fuel dealer who fails to make any return required under KRS 234.370 within the time required shall pay a penalty of ten dollars ($10.00) to be assessed and collected in the manner provided for the assessment and collection of taxes under KRS 234.310 to 234.440 or in a civil action initiated by the cabinet. In addition such delinquent taxpayer may be compelled to make the required report or return.

The assessed value of property on which homestead exemption is claimed shall not be increased because of valuation expressed on the application form filed with the property valuation administrator, and whenever it becomes known that the valuation of property subject to the homestead tax exemption has been increased because of valuation expressed on the application form, adjustment shall be made the following year so that the total tax paid by the taxpayer is the same as if the increase had not been made.

(2) (a) Every person filing an application for exemption under the homestead exemption provision must be sixty-five (65) years of age or older during the year for which application is made or must have been classified as totally disabled under a program authorized or administered by an agency of the United States government or by the railroad retirement system on January 1 of the year in which application is made.

(c) Any person making application and qualifying for the homestead exemption before payment of his property tax bills for the year in question shall be entitled to a full or partial exoneration, as the case may be, of the property tax due to reflect the taxable assessment after allowance for the homestead exemption.

(2) The provisions of KRS 138.462 and this section shall apply to all rental and leasehold contracts in existence on July, 1988, as well as all rental and leasehold contracts entered into after July 15, 1988.

(3) A holder of a permit shall pay the usage tax as provided in KRS 138.460 unless he shows to the satisfaction of the cabinet that he is regularly engaged in the renting or leasing of motor vehicles to retail customers as a part of an established business. Persons first engaging in the renting or leasing of motor vehicles to retail customers shall, in addition to obtaining a permit required under KRS 281.615, demonstrate to the satisfaction of the cabinet that they are prepared to qualify under the standards set forth in this subsection.

(4) In the event the holder of such permit qualifies under subsection (2) of this section and elects to pay the usage tax by the alternate method as provided in subsection (1) of this section, or is required by subsection (7) of this section to pay by the alternate method, he shall pay the seat tax imposed by KRS 186.281(3) and in addition shall pay the monthly tax authorized by subsection (1) of this section. The cabinet shall provide the holder with evidence that he has been qualified to pay the monthly tax. The holder shall present such evidence to the county clerk at the time the motor vehicle is offered for registration in Kentucky and the following provisions shall be applicable.

(5) The tax authorized by subsection (1) of this section shall be the direct obligation of the holder of the permit but it may be charged to and collected from the customer in addition to the rental or lease charges. The tax due shall be remitted to the cabinet each month on forms and pursuant to regulations promulgated by the cabinet.

(6) (a) As soon as practicable after each return is received, the cabinet shall examine and audit it. If the amount of tax computed by the cabinet is greater than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within four (4) years from the date the return was filed, except as provided in paragraph (c) of this subsection, and except that in the case of a failure to file a return or of a fraudulent return the excess may be assessed at any time. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the cabinet.

(b) For the purpose of paragraphs (a) and (c) of this subsection, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.

(c) Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.

(7) Failure of the holder of the permit to remit the taxes applicable to the rental charges as provided herein shall be sufficient cause for the Department of Vehicle Regulation to void the permit issued to such holder and the usage tax on each of the motor vehicles which had been registered by the holder under the permit shall be due and payable on the retail price of each such motor vehicle when it was first purchased by the holder.

(8) Notwithstanding the provisions of KRS 138.460 and subsection (1) of this section, a holder of a permit operating a fleet of rental passenger cars which has been registered pursuant to an allocation formula approved by the cabinet shall pay the tax by the method provided in this section. The provisions of this section shall apply to all vehicles rented by the holder in this state.

(9) ***The usage tax reported and paid on*** every rental ***or lease*** of a vehicle registered pursuant to this section [~~shall represent a bona fide arm's-length transaction and the consideration for such rental~~] shall be based on the fair ***market*** rental ***or lease*** value of the vehicle. ***However, the tax reported and paid to the Transportation Cabinet shall not be less than the amount due based on the actual terms of a rental or lease agreement.*** The burden of proving that the consideration charged by the holder satisfies this subsection is on the holder.

On page 2, line 17, by adding thereafter the following:

"Section 2. KRS 6.515 is amended to read as follows:

(1) Service credit in the legislators' retirement plan can be acquired only by service as a legislator after July 1, 1980 while a member of the plan, or by transfer of credit as provided in KRS 6.505*, **or by transfer or purchase of credit as provided in subsection (5) of this section**.*

(2) If spouses both serve in the general assembly, but not simultaneously, they may combine their service credit in the legislators' retirement plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(3) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(4) A former legislator whose spouse currently serves in the general assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and such service credit shall become part of the single account authorized by subsection (2) of this section.

(5) A member who has qualified for benefits pursuant to KRS 6.525(1) may, until July 1, 1991, transfer to the Legislators Retirement Plan up to ten (10) years of service credit which he has earned in the County Employees' Retirement System. If the member elects to transfer his County Employees' Retirement System service credit, that system shall transfer to the legislators retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the County Employees' Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred by the County Employees' Retirement System and the cost of the credit to the Legislators' Retirement Plan, as determined by the board of trustees of the Legislators' Retirement Plan. If the member was formerly employed by a county, or as or by a county fee officer, and the county does not participate in the County Employees' Retirement System, the member may purchase up to ten (10) years of service credit in the Legislators' Retirement Plan for the time which he served as an employee of the county at the rate at which he qualifies pursuant to KRS 6.520 by payment to the plan of the full cost of the service credit, as determined by the board of trustees. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 6.505(2).

Section 3. KRS 6.520 is amended to read as follows:

(1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be two thousand two hundred ninety-one dollars sixty-six cents ($2,291.66).

(2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400(2) and (3) in the Judicial Retirement Plan for members of that plan, except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date*, **and the member may retire without reduction in benefits one (1) year prior to his normal retirement age of sixty-five (65) for each five (5) years of service credit in the Legislators' Retirement Plan**.*

(3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982 that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the sixty (60) months of service immediately preceding retirement.

(4) Subsections (1) and (2) of this section to the contrary notwithstanding, a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982 who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement.".

Announcing veto message of **HB 544**.

The veto message on **HB 544** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto House Bill 544. The bill provides that an administrative regulation found deficient by a legislative subcommittee during the regular session of the General Assembly shall expire upon adjournment of the session of the General Assembly unless legislation enacting that regulation into statute is passed by that General Assembly. The effect of this bill, insofar as it applies to regulations found deficient after the last day permitted under the rules for introduction of bills, is to vest in a legislative subcommittee the same veto power over administrative regulations found constitutionally deficient in ***L.R.C. v. Brown***. A senate committee amendment that would have resolved this deficiency was subsequently rejected.

Message from the Governor

Announcing veto of **HB 115**, **HB 159**, **HB 188**, **HB 307**, **HB 473**, **HB 778**, **HB 799**, **HB 839** and **HB 855**.

The veto message on **HB 115** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto House Bill 115. A senate amendment to this bill would allow local option elections at the precinct level in any county or city where prohibition is in effect. Although the bill refers to the license authorized by the precinct election as a temporary minimum sale license, there is no definition of temporary. This bill would take away the right to the citizens of a dry city or county to prohibit the sale of alcoholic beverages in their respective territories.

The veto message on **HB 159** is as follows:

Pursuant to the authority vested in my by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto House Bill 159. This bill is designed to make available new offices for the General Assembly, while House Bill 307 funds the cost of their equipment and furniture. House Bill 159 in no way takes into account the fact that these offices are fully occupied by core agencies that work with the Executive on a daily basis, and provides no funds for their relocation.

In the event the General Assembly needs new office space, it should work with the Executive to properly plan for the necessary lease or construction, and budget accordingly. Under House Bill 159, the Finance and Administration and Revenue Cabinets, and GOPM are effectively evicted from their offices with no funding to cover their relocation and continued operation.

It is vital to the necessary and constitutional responsibilities of the Executive Branch to have ready access, fifty-two (52) weeks per year, to these principal advisors. They should not be displaced and, in fact, cannot be displaced since no funds were budgeted for their relocation. This matter can best be worked out during the 1990-92 interim and addressed in the 1992 Session of the General Assembly.

The veto message on **HB 188** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto House Bill 188 which requires local health departments to publish an itemized listing of revenues and expenses at the end of the fiscal year, along with other minor changes. As all local health department information, including a certified audit, is currently available to the public through the Open Records Act, House Bill 188 is an unnecessary and costly requirement with no apparent justification. House BIll 188 appears to be no more than an attempt to single out local health departments with cumbersome, expensive administrative requirements.

The veto message on **HB 307** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto lines 8 through 16 of page 3 of House Bill 307, which provides $3.5 million to equip and furnish office space taken under House Bill 159. I have simultaneously vetoed House Bill 159 with the following language likewise applicable to this line item veto:

This bill is designed to make available new offices for the General Assembly, while House Bill 307 funds the cost of their equipment and furniture. House Bill 159 in no way takes into account the fact that these offices are fully occupied by core agencies that work with the Executive on a daily basis, and provides no funds for their relocation.

In the event the General Assembly needs new office space, it should work with the Executive to properly plan for the necessary lease or construction, and budget accordingly. Under House Bill 159, the Finance and Administration and Revenue Cabinets, and GOPM are effectively evicted from their offices with no funding to cover their relocation and continued operation.

It is vital to the necessary and constitutional responsibilities of the Executive Branch to have ready access, fifty-two (52) weeks per year, to these principal advisors. They should not be displaced and, in fact, cannot be displaced since no funds were budgeted for their relocation. This matter can best be worked out during the 1990-92 interim and addressed in the 1992 Session of the General Assembly.

The veto message on **HB 473** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto House Bill 473. The new license fee established by this bill was to be utilized to fund hazardous duty retirement coverage for various employees of the Department of Alcoholic Beverage Control as authorized by House Bill 115. I am vetoing House Bill 115 for reasons unrelated to the hazardous duty coverage but my veto of the bill has the effect of deauthorizing such coverage. Therefore, the new license fee authorized by this bill is not needed.

The veto message on **HB 778** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto House Bill 778, An Act relating to abandoned urban property. This bill permits "any city of the first class" to levy a separate tax on "abandoned urban property" for a purpose other than to raise revenue. Regardless of the commendable goal of the bill to encourage people to maintain and keep their property repaired, and reduce urban blight and decay, such a tax properly may be viewed as confiscatory and a violation of the uniformity of taxation requirements of Sections 171 and 174 of the Kentucky Constitution. The bill also constitutes special legislation in violation of Section 60 of the Kentucky Constitution. There is not factual or logical reason, if it is not otherwise constitutionally deficient, why the bill's provisions should not be available to all classes of cities, and not just a city of the first class.

The veto message on **HB 799** is as follows:

HB 799 - Item #1

Pursuant to the authority vested in me by Section 88 of the Constitution of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto the following distinct Item #1 on:

page 30, line 26, beginning with the word "Pursuant" and ending with the word "memorandum" page 31, line 6, beginning with the word "Pursuant" and ending with the word "memorandum"

page 31, line 11, beginning with the word "Pursuant" and ending with the word "memorandum"

page 175, line 3, the word "In" and lines 4, 5, and 6

page 177, line 10, beginning with the word "and" and ending with the word "memorandum"

page 177, line 24, beginning with the word "and" and ending with the word "statutory" and line 25, beginning with the word "budget" and ending with the word "memorandum"

This item attempts to make the budget memorandum have the force and effect of law during the 1990-92 biennium. The budget memorandum is a statutorily-established information document prepared under the direction of the Senate and House Appropriations and Revenue Committees in order to more fully inform the House of Representatives and the Senate about the budget. The memorandum is not voted on by the General Assembly and is not in a bill and, therefore, is not subject to veto or signature. To make such a document legally binding on the executive branch, when it is not subject to veto, and is not voted by the full membership of the General Assembly, would contravene Sections 46 and 88 of the Constitution. This veto is consistent with my previous veto of Senate Bill 319.

HB 799 - Item #2

Pursuant to the authority vested in me be Section 88 of the Constitution of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto the following distinct item #2 on page 52, lines 18, 19, 20, 21, 22 and 23

This item attempts to reorganize the Kentucky Higher Education Assistance Authority by attaching it to the Council on Higher Education. While this plan possibly has merit, it should have been pursued in a separate reorganization bill. The matter of reorganization is not germane to an Appropriations Act.

HB 799 - Item #3

Pursuant to the authority vested in me by Section 88 of the Constitution of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto the following distinct item #3 on:

page 84, line 16 beginning with the word "These" and ending with the word "the" and lines 17 and 18

page 88, line 8 beginning with the word "This" and ending with the word "by" and lines 9, 10 and 11

This item requires a Road Fund appropriation for a highway needs study, in the Highways budget unit of the Transportation Cabinet, to be transferred to the Legislative Research Commission (LRC). The mandate that monies appropriated to one branch of government be transferred to another branch of government is violative of separation of powers. Road Fund monies should be retained in the Executive branch for road building and road-related purposes.

HB 799 - Item #4

Pursuant to the authority vested in me by Section 88 of the Constitution of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto the following distinct item #4 on:

page 171, line 21 beginning with the word "No" and ending with the word "unbudgeted" and lines 22, 23, 24, 25 and 26

page 172, lines 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22 and line 23 beginning with the word "records" and ending with the word "convened"

page 173, line 13, beginning with the word "prior" and ending with the word "the" and line 14 beginning the the word "implementation" and ending with the word "allotment"

page 173, line 21 beginning with the word "and" following the word "Management" and line 22 and line 23 beginning with the word "Appropriations" and ending with the word "Revenue"

page 178, line 11 beginning with the word "and" following the word "law" and ending with the word "the" and line 12

This item eliminates language that would unnecessarily encumber the day-to-day management and conduct of government affairs by the Executive branch in important ways. It would impose a delay and prior restraint on the execution of budget decisions in the interim, as well as during legislative sessions by requiring prior notice of 20 days, legislative interim committee review, and decision making that would impede the effective management of state government. Such delays would be inefficient and could result in a proliferation in costly fines for late payment. Further inefficiencies would result from the veritable mountain of paperwork that would flow to interim legislative committees from the Executive that are part of the normal processing of accounts in the state financial sytem. Moreover, charging interim legislative committees with decision-making or "taking action" with respect to normal administrative determinations by the Executive is legally problematic.

Specifically, this item involves extensive new language which has been inserted for the first time in the appropriations act relating to the reporting and approval process for appropriation adjustments. It would require each request for an appropriation adjustment, regardless of fund source, to be reported and approved by the Interim Joint Committee on Appropriations and Revenue prior to implement action. The process for this reporting and approval would prevent any action from being implemented until each item was transmitted to the Committee at least twenty days prior to the next regular committee meeting date, and approved by the Committee. Also, the language requires that any allotment revision (even those unrelated to increases in an appropriation) be submitted to the Committee along with a determination by the State Budget Director prior to the implementation of the allotment revision.

Currently, pursuant to the enacted budget, the budget office provides the Interim Joint Committee on Appropriations and Revenue a quarterly report on all appropriation adjustments. Requests from state agencies for non-General Fund (federal fund and agency fund) appropriation increases, e.g., nearly 100 in number for the most recent fiscal quarter, are presently open records available for review. Moreover, this information has been routinely reported to the LRC on a regular basis for a number of years.

The requirement that each one of these requests be reviewed and approved by the committee prior to Executive branch action will result in onerous burdens being imposed as a result of delays of up to a month or more for state agencies in implementing critical programs since they will have to await Committee action on individual requests. This requirement would be especially onerous at the end of each fiscal year and could very well result in some agencies having to push bill payments into the following fiscal year, thus resulting in fines for late payment due to the review and approval process timeframe. Moreover, the effect of these procedures during a General Assembly session would be to bog down the Committee's agenda while it is reviewing the budget and other critical legislation.

The second requirement of reporting every allotment revision to the Committee prior to Executive action is even more burdensome in that it would involve over 1,300 documents annually, affecting many times that number of accounts, thus effectively requiring the reporting of literally thousands of separate accounting transactions.

Of special note in this regard is the fact that the newly-developed Executive Information System (EIS), an on-line computerized approach to monitoring budget execution activities, will be providing similar up-to-date information on all appropriation and allotment actions in an electronic form to both the LRC and the Executive. This system, which has been jointly developed by the information system staffs of both the LRC and the Executive Branch, will identify every appropriation and allotment adjustment, thus obviating the need for this language and the need to transmit to the Committee literally thousands of pieces of paper recording the same information as will be provided electronically by the EIS.

HB 799 - Item #5

Pursuant to the authority vested in me by Section 88 of the Constitution of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto the following distinct item #5 on page 175, line 15 beginning with the word "Repayments" and ending with the word "established" and lines 16, 17, 18, 19 and line 20 beginning with the word "independently" and ending with the word "revenue".

This item prohibits the use of revenues produced from the repayments of revolving funds established by the Kentucky Development Finance Authority and the Kentucky Infrastructure Authority to finance debt service for additional bond issues for any economic development or infrastructure project which is not provided for in the Appropriations Act. No additional appropriations were made to the Kentucky Development Finance Authority in either year of the 1990-92 biennium.

As a consequence, the Kentucky Development Finance Authority currently does not have adequate resources to meet the economic development needs of the Commonwealth for the 1990-92 biennium; therefore, the Authority must retain the flexibility it currently has to leverage its existing resources to better serve the Commonwealth's economic development needs. This item unreasonably restricts the Authority's job creation efforts and is consistent with my previous veto of Senate Bill 331.

HB 799 - Item #6

Pursuant to the authority vested in me by Section 88 of the Constitution of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto the following distinct item #6 on page 182, line 7.

The elimination of this language is in the interest of fairness. Striking the language would simply permit those full-time unclassified employees whose service credit began subsequent to July 1, 1987 to participate with all other full-time state employees in the Outstanding Merit Increases program. Inasmuch as all other full-time employees, both classified employees and full-time unclassified employees whose service credit began prior to July 1, 1987 would be able to participate in this program, it seems patently unfair to arbitrarily discriminate against a single group of state employees based solely on a timing factor of when they began their state service.

The veto message on **HB 839** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto House Bill 839. This bill attempts to create a new penalty against an employer who without reasonable foundation denies, delays or terminates income benefits. This issue is adequately addressed in existing law. KRS 324.310 currently states:

"If any administrative law judge, the Board or any court before whom any proceedings are brought under this chapter determines that such proceedings have been brought, prosecuted or defended without reasonable ground, he or it may assess the whole cost of the proceedings which shall include actual expenses but not be limited to the following: court costs, travel expenses, deposition costs, physician expenses for attendance fees at depositions, attorney fees, and all other out-of-pocket expenses upon the party who has so brought, prosecuted or defended them."

The current law is more equitable in that sanctions can be imposed on either party who acts unreasonably.

The veto message on **HB 855** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky do hereby veto House Bill 855. This bill, like House Bill 544, provides that an administrative regulation found deficient by a legislative subcommittee during the regular session of the General Assembly shall expire upon adjournment of the session of the General Assembly unless legislation enacting that regulation into statute is passed by that General Assembly. The effect of this bill, insofar as it applies to regulations found deficient after the last day permitted under the rules for introduction of bills, is to vest in a legislative subcommittee the same veto power over administrative regulations found constitutionally deficient in ***L.R.C. v. Brown***.

Representative Johnson moved that the rules be suspended to allow floor privileges and act upon a Resolution. Agreed.

Section 5. That the Clerk of the House is hereby directed to transmit a copy of this Resolution to State Representative Bobby H. Richardson.

HR 299 was adopted by voice vote.

Section 2. The Task Force shall continue its work until the Commissioner of Education assumes his duties.

Section 3. Staff services to be utilized in completing this work are estimated to cost $25,000.

Representative Geveden moved the adoption of the following **HR 303**:

HR 303, A RESOLUTION directing the Legislative Research Commission to establish an Earthquake Commission.

WHEREAS, Kentucky faces a significant threat of damaging earthquakes statewide, the prime risk resulting from potentially severe activity in the New Madrid Fault Zone; and

WHEREAS, three of the strongest earthquakes in United States history were not in the West but in New Madrid, Missouri, between December, 1811, and February, 1812, at estimated magnitudes of 8.6, 8.4 and 8.7, felt throughout the eastern United States and parts of Canada; and

WHEREAS, earthquake experts have predicted that within the next 20 years there is an 80 percent chance of an earthquake along the New Madrid Fault approaching the 7.5 magnitude of San Francisco's 1989 earthquake, and a 97 percent chance in the next 50 years; and

WHEREAS, according to geologists, the New Madrid Fault is the worst in North America, consisting of a 150-mile-long, 40-mile-wide rift 5 to 10 miles under the earth that is continually under enormous pressure as rocky slabs of earth known as tectonic plates push against it; and

WHEREAS, the area's solid bedrock that is miles underground will transmit rather than absorb the earthquake's shock, resulting in the quake covering a wide area; and

WHEREAS, above the earth's crust in many places is a wet, sandy soil that geologists say will almost liquefy in a major earthquake; and

WHEREAS, parts of Louisville, Paducah, Henderson, Evansville, IN, and Memphis, TN, are built above that sandy soil; and

WHEREAS, a 1985 federal study estimated that a severe earthquake during the daytime could kill 6,000 people in the New Madrid Fault Zone and cause $50 billion in property damage; and

WHEREAS, any major earthquake would seriously affect public utilities (electricity, water, sewer and natural gas), dam and water impoundment structures, transportation routes, critical facilities and high population facilities (hospitals, schools, nursing homes, correctional facilities, fire, police, banks, courthouses, city halls), and hazardous material facilities; and

WHEREAS, residents living in the central U. S. area are nearly as unprepared for a major earthquake as was Armenia in 1988, when 25,000 were killed, according to a national earthquake expert; and

WHEREAS, on a scale of 0 to 100 for preparedness San Francisco ranks 90, Armenia ranks 0, and the central United States ranks between 10 to 20, according to the U. S. Geological Survey; and

WHEREAS, there are various governmental and university programs addressing earthquake hazards, preparedness, research, and strategies for mitigation—the Federal Emergency Management Agency (FEMA), the National Earthquake Hazards Reduction Program, the Central U. S. Earthquake Consortium (CUSEC), Kentucky's Disaster and Emergency Services' earthquake program, the Kentucky Geological Survey, the Department of Geology at the University of Kentucky, and the Governor's Earthquake Hazards and Safety Technical Advisory Panel; and

WHEREAS, the General Assembly desires to participate in enhancing the public's understanding of earthquake hazards and providing information on how to reduce personal and community vulnerability to earthquake hazards;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Legislative Research Commission shall appoint an Earthquake Commission consisting primarily of members of the General Assembly from areas identified as those most likely to be affected by earthquakes, together with such support personnel as may be necessary.

Section 2. That the commission shall conduct a series of informational seminars in appropriate areas of the state to:

(a) Disseminate information regarding earthquake hazards, strategies for mitigation of earthquake damage, and individual, group, governmental and business measures to reduce the hazards and damage if an earthquake occurs;

(b) Educate children regarding earthquake preparedness and protection and appropriate responses both in and out of school if an earthquake occurs;

(c) Alert public officials to the need for ordinances and legislation regarding earthquake resistant construction and measures to be taken before, during and after an earthquake, to the need for citizens to be trained in self-protection and self-rescue activities during and after an earthquake, and to the need to encourage citizens to be prepared for survival following an earthquake for a period of 72 hours with limited assistance from government or utilities.

Section 3. That Kentucky Disaster and Emergency Services' earthquake program, the Kentucky Geological Survey, University of Kentucky's Department of Geology, the Governor's Earthquake Hazards and Safety Technical Advisory Panel, and any other state agencies involved in earthquake preparedness and mitigation of damage be requested to cooperate with the Earthquake Commission.

Section 3. KRS 157.360, as amended by Section 97 of House Bill 940 of the 1990 Regular Session, is amended to read as follows:

(1) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.

(2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year. Each district's base funding level shall be adjusted by the following factors:

(a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly;

(b) The number and types of exceptional children in the district as defined by KRS 157.200. No later than ***October 1, 1991*** [~~July 1, 1992~~], specific weights for each category of exceptionality shall be developed by the Department of Education and shall be used in the calculation of the add-on factor for exceptional children. Prior to the development of the necessary weights, the General Assembly shall determine the costs associated with the education of exceptional children based on the count of pupils with different exceptionalities, an appropriate pupil-teacher ratio, and total per-pupil costs; and

(c) Transportation costs. The per pupil cost of transportation shall be calculated as provided by KRS 157.370. No later than ***October 1, 1991*** [~~July 1, 1992~~], the Office of Education Accountability's Division of School Finance shall examine the components of the current system for allocating transportation funds, and recommend any needed changes to the General Assembly, the Governor, and the State Board for Elementary and Secondary Education. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.

(3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year. No district shall receive an annual increase in state funds of less than eight percent (8%) for 1990-91 and five percent (5%) in 1991-92 or more than twenty-five percent (25%) in either year.

(4) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, art, physical education, and special education classes. Except in classes combining pupils from two (2) or more grade levels, the maximum number of pupils enrolled in a class shall be as follows:

(a) Twenty-four (24) in primary grades (kindergarten through third grade);

(b) Twenty-eight (28) in grade four (4);

(c) Twenty-nine (29) in grades five (5) and six (6);

(d) Thirty-one (31) in grades seven (7) to twelve (12);

(e) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.

The chief state school officer, upon approval of the State Board for Elementary and Secondary Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the State Board for Elementary and Secondary Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).

(5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.

(6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in

another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.

(7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.

(8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(9) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(10) (a) Instructional salaries for vocational agriculture classes shall be allotted for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the office of vocational education in the Department of Education. Salary allotments for vocational agriculture units shall be computed by proportionately increasing the salary schedule allocation based on the regular one hundred eighty-five (185) day school year for teachers with comparable qualifications and experience. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.

(b) Each teacher of agriculture employed twelve (12) months per year shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the state Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the chief state school officer a completed report of summer tasks for each vocational agriculture teacher employed for twelve (12) months. Twenty percent (20%) of the approved twelve (12) month vocational agriculture programs shall be audited annually by the state Department of Education to determine that the summer plan has been properly executed.

(c) For the 1990-91 and the 1991-92 school years, an add-on appropriation shall be made to local school districts which are operating secondary vocational education programs. The amount provided in the budget shall be allocated on a per pupil basis and shall be used to meet the higher per student cost of operating vocational education programs.

(11) (a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding excluding the capital outlay, shall be allotted for each child in average daily attendance in the current school year who has been properly identified according to State Board for Elementary and Secondary Education administrative regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education; and

(b) Pursuant to administrative regulations of the Department of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education.

(12) Except for those schools which have implemented school-based decision making, kindergarten aides shall be provided for each twenty-five (25) full-time equivalent kindergarten students enrolled.

Section 4. KRS 157.440, as amended by Section 107 of House Bill 940 of the 1990 Regular Session, is amended to read as follows:

(1) (a) Notwithstanding any statutory provisions to the contrary, effective for school years beginning after July 1, 1990, the board of education of each school district may levy an equivalent tax rate as defined in subsection (12)(a) of KRS 160.470 which will produce up to fifteen percent (15%) of those revenues guaranteed by the program to support education excellence in Kentucky. The levy for the 1990-91 school year shall be made no later than October 1, 1989, ***and no later than October 1, 1990, for the 1991-92 school year,*** and by October 1 of each odd numbered year thereafter. Effective with the 1990-91 school year, revenue generated by this levy shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil [~~equalized~~] assessment.

(b) The rate levied by a district board of education under the provisions of this subsection shall not be subject to the public hearing provisions of KRS 160.470(10) or to the recall provisions of KRS 160.470(11).

(c) A school district which is at or above the equivalent tax rates permitted under the provisions of this Act shall not be required to levy an equivalent tax rate which is lower than the rate levied during the 1989-90 school year.

(2) A district may exceed the maximum provided by subsection (2) of KRS 160.470 provided that, upon request of the board of education of the district, the county board of elections shall submit to the qualified voters of the district, in the manner of submitting and voting as prescribed in paragraph (b) of subsection (1) of KRS 160.477, the question whether a rate which would produce revenues in excess of the maximum provided by subsection (2) of KRS 160.470 shall be levied. The rate that may be levied under this section may produce revenue up to no more than thirty percent (30%) of the revenue guaranteed by the program to support education excellence in Kentucky plus the revenue produced by the tax authorized by KRS 157.440. Revenue produced by this levy shall not be equalized with state funds. If a majority of those voting on the question favor the increased rate, the tax levying authority shall, when the next tax rate for the district is fixed, levy a rate not to exceed the rate authorized by the voters.

(3) For the 1966 tax year and for all subsequent years for levies which were approved prior to December 8, 1965, no district board of education shall levy a tax at a rate under the provisions of this section which exceeds the compensating tax rate as defined in KRS 132.010, except as provided in subsection (4) of this section and except that a rate which has been approved by the voters under this section but which was not levied by the district board of education in 1965 may be levied after it has been reduced to the compensating tax rate as defined in KRS 132.010, and except that in any school district where the rate levied in 1965 was less than the maximum rate which had been approved by the voters, the compensating tax rate shall be computed and may be levied as though the maximum approved rate had been levied in 1965 and the amount of revenue which would have been produced from such maximum levy had been derived therefrom.

(4) Notwithstanding the limitations contained in subsection (3) of this section no tax rate shall be set lower than that necessary to provide such funds as are required to meet principal and interest payments on outstanding bonded indebtedness and payments of rentals in connection with any outstanding school revenue bonds issued under the provisions of KRS Chapter 162.

(5) The chief state school officer shall certify the compensating tax rate to the levying authorities.

Section 5. KRS 157.420, as amended by Section 106 of House Bill 940 of the 1990 Regular Session, is amended to read as follows:

Public school funds made available to the credit of each district during any year shall be received, held and expended by the district board, subject to the provisions of law and administrative regulations of the State Board for Elementary and Secondary Education. The following restrictions shall govern the expenditure of funds from the public school fund:

(1) The teachers' salaries allotment for each district from the public school fund and from local sources shall be used only for teachers holding properly authorized certificates. The [~~average~~] salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days [~~and no teacher shall be paid less than ninety-three percent (93%) of the public school fund allotment for that rank~~] for full-time service during the regular school year or the allotment under KRS 157.390(3) shall be reduced by an amount equal to the amount by which the district failed to meet the salary requirements.

(2) The State Board for Elementary and Secondary Education shall not approve any working budget or salary schedule summary for local boards of education for any school year in which the total amount for one hundred eighty-five (185) days on the salary schedule summary for salaries paid from the base funding is not equal to:

(a) The amount for one hundred eighty-five (185) days on the district's salary schedule summary for instructional salaries paid with state funds the preceding year; plus

(b) The additional amount for instructional salaries to be received by the district under the biennial budget schedule for a one hundred eighty-five (185) day school term by assuming the same rank and experience of teachers in the current year as in the preceding year.

(3) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the State Board for Elementary and Secondary Education. These funds shall be used for the following capital outlay purposes:

(a) For direct payment of construction costs;

(b) For debt service on voted and funding bonds;

(c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

(d) For the retirement of any deficit resulting from over-expenditure for capital construction, if such deficit resulted from an emergency declared by the State Board for Elementary and Secondary Education under KRS 160.550; and

(e) As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets.

(4) If any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the chief state school officer under administrative regulations of the State Board for Elementary and Secondary Education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.

(5) If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (3) of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers and other technological hardware to be utilized for educational purposes only.

(6) In surveying the schools, the Department of Education shall designate each school facility as a permanent, functional or transitional center.

(a) "Permanent Center" means a center which meets the program standards approved by the State Board for Elementary and Secondary Education, is located so that students are not subjected to an excessive amount of time being transported to the site, and has established an attendance area which will maintain enrollment at capacity but will also avoid overcrowding.

(b) "Functional Center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.

(c) "Transitional Center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation. However, the board of education shall maintain any operating transitional center to provide a safe and healthy environment for students.

Section 6. KRS 157.620, as amended by Section 193 of House Bill 940 of the 1990 Regular Session, is amended to read as follows:

(1) To participate in the school construction funding program, the district must have unmet needs as defined by KRS 157.615 and must meet the following eligibility criteria:

(a) Commit at least an equivalent tax rate of five cents (5) to debt service, new facilities or major renovations of existing school facilities. The five cents (5) shall be in addition to the thirty cents (30) required by KRS 160.470(12). If the current levy of a district exceeds the required thirty cents (30) and the five cents (5), no additional tax shall be required. However, not less than five cents (5) shall be committed under this subsection. ***The five cents (5) shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment.***

(b) On July 29, 1985 and on June 30 of each year thereafter, the district board of education shall transfer all available local revenue, as defined by KRS 157.615, to a restricted account for school building construction, to be utilized in accordance with the priorities determined by the approved school facilities plan.

(2) Interest earned on funds deposited in the restricted accounts required by this section shall be deposited in the restricted account and shall become a part of the restricted funds.

(3) Funds restricted by the requirements of this section may be used by the district for projects or a portion thereof as listed in priority order on the approved school facilities plan prior to receiving state funds. Any local school district which is not an eligible district may be permitted, upon written application to the Department of Education, to transfer funds restricted by this Act for other school purposes.

(4) Not later than October 15 of the year immediately preceding the regular session of the General Assembly the State Board for Elementary and Secondary Education shall submit a statement to the School Facilities Construction Commission certifying the following in each district:

(a) The amount of school facility construction needs in each district;

(b) The amount of available local revenue in each district; and

(c) That the district has or has not met the eligibility criteria established by subsection (1) of this section.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the district of a record documenting a criminal act as defined above and no further procedures shall be required.

(5) Each application or renewal form, provided by the employer to the applicant, shall conspicuously state the following: "FOR THIS TYPE OF EMPLOYMENT, STATE LAW REQUIRES A CRIMINAL RECORD CHECK AS A CONDITION OF EMPLOYMENT."

(6) Any request for records under subsection (3) of this section shall be on a form approved by the Justice Cabinet, and the cabinet may charge a fee to be paid by the applicant in an amount no greater than the actual cost of processing the request.
